About Challenger Infrastructure Fund (CIF):

CIF is an Australian publicly listed global diversified infrastructure fund that invests in regulated and contracted monopoly-like assets. CIF has a portfolio of assets which are diversified by sector and also geographical location and focuses on countries with relatively stable political and regulatory environments. CIF takes a disciplined approach to the types of assets in which it invests in order to provide security holders with exposure to assets with long term predictable cash flows. CIF's portfolio is diversified across 2 key assets: Inexus and LBC. For further information please visit our website: www.challenger.com.au/cif
