Dear Sir/Madam

REQUEST FOR SUSPENSION OF EUROGOLD LIMITED

Further to the Company's announcement of 16 May 2013, the Directors of Eurogold Limited request, pursuant to clause 17.3 of the Listing Rules, immediate suspension of the Company's shares until such time as the company has sufficient activities to warrant re-quototation.

As previously advised, the Company has reviewed numerous opportunities but as a result of the difficult market conditions being experienced has not been able to identify a project which it believes will deliver adequate value to its shareholders. Accordingly, Eurogold is expecting that in mid-late 2013 there may be a significant number of assets which will form attractive buying opportunities.

Eurogold will continue to work with ASX to manage the suspension of its securities. Eurogold will also continue to search for a suitable acquisition to facilitate its re-quototation and explore its options with respect to the disposal of its block of Dragon Mining Limited (ASX : DRA) shares and the distribution of all or part of the cash consideration (followed either by a wind-up or use of part of the cash for the acquisition of an appropriate business and re-quototation).

Yours faithfully

Pauline Collinson
Company Secretary
Eurogold Limited
