## About Pirraminta-2

The Pirraminta-2 exploration well, was located in the south western section of PEL514 (see Figure 1) and situated on a portion of the Gidgealpa-Merrimelia-Innaminka Ridge approximately 60 kilometres north northeast of Moomba.

Planet Gas holds a 20% project interest in PEL 514 while Senex Energy Limited ('Senex'), holds an 80% interest and is the operator.

The Pirraminta-2 well forms part of the initial farm-in agreement with Senex of December 2011. As part of that agreement Senex is required to drill two wells by end November 2013 with Pirraminta-2 being the second of the two well program. Planet Gas is free carried for the program.
