## Foyson Resources Limited ACN 003 669 163

## Terms of Options Issued to Cormi Pty Limited

In accordance with the approval obtained by Shareholders at the Annual General Meeting of Shareholders on 22 November 2012 the terms of the options issued to Cormi Pty Limited are outlined below:

- > The options will be issued to Cormi Pty Limited, a company controlled by Michael Palmer.
- The option holder will receive one Share for each option upon exercise and payment of the exercise price.
- > The options will be issued for no consideration.
- The options will vest in four tranches, with the first three tranches on 30 June 2013, 30 June 2014 and 30 June 2015 each equivalent to 9,114,038 options, provided the Service Agreement whereby Cormi Pty Ltd provides the services of Mr Michael Palmer continues and he achieves the necessary performance conditions set by the Board. The hurdles for the period to June 2013 comprise:
  - the Company continuing as a "going concern" as confirmed by an unqualified audit report;
  - doing all things necessary to maintain existing exploration licences; gain approval for exploration licence applications, and apply for new exploration licences as applicable and agreed;
  - subject to receipt of Tranche 1 and Tranche 2 subscriptions from TVI Pacific Inc, and in the absence of new strategic initiatives requiring incremental funding, to have sufficient funds at group level at 1 July 2013 to meet corporate budget funding requirements for the 2014 financial year;
  - signing of a sale or JV agreement for Amazon Bay and one other licence held by the Company on terms acceptable to the Board;
  - o achieving significant progress towards JORC resource status on Amazon Bay;
  - establishing and maintaining systems for day to day project management of tenements, field logistics and geological data base management; and
  - o advancing exploration activities on selected projects within PNG.
- If the first three tranches of options have vested and if the VWAP of the Company's ordinary share price is no less than 7 cents for the trading days in the month of June 2015, then, if the Service Agreement has not been terminated prior to 1 July 2014, Cormi will be entitled to a fourth tranche of 18,228,076 options on 30 June 2015.

- > The exercise price of the options for the first three tranches will be as follows:
  - o 30 June 2013: Tranche 1: 3 cents
  - o 30 June 2014: Tranche 2: 50% at 4 cents and 50% at 5 cents
  - o 30 June 2015: Tranche 3: 50% at 5 cents and 50% at 7 cents
  - 30 June 2015: Tranche 4: .exercise price will 15% greater than the VWAP for June 2015.
- > The options will expire if not exercised within 3 years of vesting.
- The intended use of the funds raised on exercise of these options will be for working capital purposes.
- If the Company's capital on issue changes over the course of the relevant periods, the Company is obliged to seek Shareholder approval for further options by way of adjustment accordingly.
