## **Re: Profit Advice Year Ended 31 December 2013**

The Company advises that in the Preliminary Final Report to be lodged prior to February 28<sup>th</sup> 2014, it is anticipated that the profit recorded after taxation and minority interest will be AUD 97 Million.

This represents an 18% increase over the previous year's result of AUD 82 Million.

This figure is subject to finalisation of the audit, but the directors do not believe there will be any material adjustments to this figure.
