**Market Update - South African Sale**

West Wits Mining Limited (“West Wits” or “the Company”) advises that it has received A\$175,000, rather than the agreed \$350,000, from Mintails Limited under its instalment payment plan for the sale of the Randfontein cluster. Mintails approached West Wits to seek a reduced amount for this month due to the temporary suspension of Mintails open cast mining activities and the impact which the suspension had on Mintails cashflow.

Currently the companies are discussing whether a further month of a reduced amount will be agreed and how the catch up payments will be accommodated in the ensuing months.

West Wits will update the market further once agreements have been finalised.
