Northern Iron Limited - Variation to Orders

The Panel made a declaration and orders on 19 June 2014 in response to an application dated 23 May 2014 by Northern Iron Limited in relation to its affairs (see [TP 14/41](#)).

On 27 June 2014, the Panel varied its orders by adding an order that Dalnor Assets Ltd pay costs in favour of Northern Iron (in part) and ASIC in relation to the application. The variation to the orders is Annexure A.

The Panel considered that the non-disclosure of information required under the substantial holder notice and tracing notice provisions by Dalnor and its associates was apparent and should not have required the application to the Panel to run its full course before being remedied.

The Panel is satisfied that the costs order is not unfairly prejudicial to Dalnor and that the costs were necessarily, properly and reasonably incurred by Northern Iron and ASIC in taking steps that might have been avoided.

The sitting Panel was Richard Hunt (sitting President), John Sheahan QC and Jane Sheridan.
