Dear sir/madam

Response to Media Article

Quickflix Limited (ASX: QFX) ("Quickflix") notes the media coverage in today's Australian newspaper under the headline "US giant wants a piece of Quickflix". Quickflix maintains a regular dialogue with both local and international participants in the entertainment content delivery industry but advises that it is not aware of any information concerning Quickflix that would require disclosure under the ASX Listing Rules.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S. Hunter'.
