### GENERAL

#### **New Opportunities**

The Company is assessing a number of minerals opportunities as potential acquisitions including projects located in North Asia, South America and Australia.

The Board believes the Company will be successful in moving its focus to a new minerals opportunity.

## Sale of Sonid North

The Company is focused on the sale of Sonid North, its principal project in Inner Mongolia. The company is hoping to sell this project within the next 6 months.

## Other projects in Inner Mongolia

The Company continues to assess the prospectivity of the remaining projects in Inner Mongolia and the amount of funding needed to advance these to sale, joint venture or to attract further funds to expand the projects.

## Cash

The Company had cash of \$39,000 at 30 June 2014. Current cash resources are forecast to cover expected costs to 30 September 2014. During the next quarter the company will complete a fund raising which is being actively pursued at present.
