COMPANY ANNOUNCEMENT

11 August 2014

## JB HI-FI announces on-market share buy-back

As part of its ongoing commitment to actively managing the Company's capital position, and taking account of continued solid earnings growth and its strong balance sheet, JB Hi-Fi Limited today announced it will undertake an on-market share buy-back of up to 645,765 ordinary shares<sup>1</sup>. These shares represent approximately 0.65% of the shares on issue and, based on the closing share price on 8 August, the cash cost would be circa \$12.5 million. The buy-back is intended to offset the dilutionary impact of shares issued in August and September 2014 pursuant to the exercise of employee share options.

It is intended that the buy-back take place no earlier than 8 September 2014 and no later than 31 December 2014. JB HI-FI will only buy-back shares at such times and in such circumstances as it considers beneficial to the efficient capital management of the Company and the buy-back is therefore dependent upon market conditions, volumes and other relevant factors.

JB HI-FI will consider further initiatives as part of its ongoing capital management strategy. These include, but are not limited to, the potential buy-back of additional shares to neutralise the effect of further issues pursuant to the exercise of employee share options. Any such further initiatives shall be announced to the ASX at the appropriate time in accordance with the ASX Listing Rules.

An Appendix 3C is attached.
