

## **ASX Announcement**

16 December 2014

### **Bluestone Global Limited (In Liquidation) (ASX:BUE) ('BGL') ACN 009 296 324**

We confirm that on 4 August 2014, Mark Uebergang and Craig Shepard were appointed as:

- Voluntary Administrators of BGL; and
- Liquidators of 53 subsidiary companies of BGL (as set out in the schedule available on the websites detailed below) ('BGL Subsidiaries').

On 8 September 2014, the creditors of BGL resolved to place BGL into liquidation.

Further to previous ASX Announcements regarding the Liquidation of BGL, we provide the following update.

#### **Pooling**

We considered that it would be in the interests of creditors for BGL and BGL Subsidiaries ('BGL Group') to be wound up as a pooled group. Accordingly, on 21 November 2014 we filed an application in the Supreme Court of Victoria seeking pooling orders ('the Pooling Application').

The Pooling Application was heard on 12 December 2014 before Associate Justice Gardiner who ordered that the BGL Group be wound up as a pooled group pursuant to sections 579E of the Corporations Act 2001.

A copy of the Pooling Application can be accessed at:
