NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2014

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Preparation

These general purpose interim financial statements for half-year reporting period ended 31 December 2014 have been prepared in accordance with requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*. The Group is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements Freshtel Holdings Limited and its controlled entities (referred to as the "consolidated group" or "group"). As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Group. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2014, together with any public announcements made during the following half-year.

These interim financial statements were authorised for issue on 18 February 2015.

b. Accounting Policies

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statement, subject to the following changes:

c. Fair Value measurements and disclosures

Principles of Consolidation

The consolidated financial statements incorporate all of the assets, liabilities and results of the parent (Freshtel Holdings Limited) and all of the subsidiaries (including any structured entities). Subsidiaries are entities the parent controls. The parent controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. A list of the subsidiaries is provided in Note 9.

The assets, liabilities and results of all subsidiaries are fully consolidated into the financial statements of the Group from the date on which control is obtained by the Group. The consolidation of a subsidiary is discontinued from the date that control ceases. Intercompany transactions, balances and unrealised gains or losses on transactions between Group entities are fully eliminated on consolidation. Accounting policies of subsidiaries have been changed and adjustments made where necessary to ensure uniformity of the accounting policies adopted by the Group.

Equity interests in a subsidiary not attributable, directly or indirectly, to the Group are presented as "non-controlling interests". The Group initially recognises non-controlling interests that are present ownership interests in subsidiaries and are entitled to a proportionate share of the subsidiary's net assets on liquidation at either fair value or at the non-controlling interests' proportionate share of the subsidiary's net assets. Subsequent to initial recognition, non-controlling interests are attributed their share of profit or loss and each component of other comprehensive income. Non-controlling interests are shown separately within the equity section of the statement of financial position and statement of comprehensive income.

NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2014

NOTE 2: GOING CONCERN BASIS

The financial statements have been prepared on the going concern basis of accounting, which assumes the continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business and at the amounts stated in the financial report.

The net loss after income tax for the consolidated entity for the half year ended 31 December 2014 was \$96,646 (2013:profit of \$84,931). The loss was made on normal operations.

The Directors believe that it is appropriate to prepare the financial report on a going concern basis because:

- (i) the variable expenses can be managed to ensure there is adequate cash available for the next 12 months from the date of this report;
- (ii) the Group had \$295,657 cash on hand at 31 December 2014.

NOTE 3: DIVIDENDS

No dividends have been proposed or declared for the period.

NOTE 4: BUSINESS COMBINATIONS

No acquisitions or disposals were made in the period.

NOTE 5: OPERATING SEGMENTS

The consolidated entity has identified its operating segment based on the internal reports that are reviewed and used by the board of directors (chief operating decision makers) in assessing performance and determining the allocation of resources.

The consolidated entity has been dormant during the period. Prior to that, the primary business segment and the primary geographic segment within which the consolidated entity operated was a telecom VOIP business in Australia.

NOTE 6: CONTINGENT LIABILITIES

There has been no change in contingent liabilities since the last annual reporting period.

NOTE 7: EVENTS AFTERTHE END OF THE INTERIM PERIOD

There have been no significant events since the period end.

NOTE 8: INTEREST IN SUBSIDIARIES

Subsidiary entities :

Freshtel Australia Pty. Ltd. (ACN 094 928 248)

Freshtel Pty. Ltd.(ACN 101 908 472)

Voicedot Networks Pty Ltd (ACN 111 334 108)

Virbiage Pty. Ltd. (ACN 112 682 774)

The group has no subsidiaries with non-controlling interests that are material to the group.

DIRECTORS' DECLARATION

In accordance with a resolution of the directors of Freshtel Holdings Limited, the directors of the company declare that:

- 1. The financial statements and notes, as set out on pages 4 to 10 are in accordance with the *Corporations Act 2001*, including:

 - b. giving a true and fair view of the consolidated entity's financial position as at 31 December 2014 and of its performance for the half-year ended on that date.

As the auditor of Freshtel Holdings Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.
