NRW / Samsung C&T - Roy Hill Rail Contract Update

NRW provided an update on the continuing discussions with Samsung C&T on the Roy Hill Rail contract in its half year results announcement which included a statement that “NRW and Samsung C&T’s commercial teams were working through an agreed process which has a targeted final contract resolution date of 31st March 2015.”

Discussions are continuing in a cordial and professional manner and a further update will be provided when the discussions have concluded.

About NRW Holdings Limited:

NRW is a diversified provider of contract services to the resources and infrastructure sectors in Australia and internationally. With extensive operations in Western Australia and Queensland, NRW’s geographical diversification is complemented by its delivery of a wide range of operations. These encompass civil expertise including bulk earthworks and concrete installation; contract mining and drill and blast. NRW also encompasses a comprehensive refurbishment and rebuild service for earthmoving equipment and machinery.
