### **About NewSat:**

NewSat is Australia's largest pure-play satellite communications company, delivering internet, voice, data and video communications via satellite. With award winning and unique-to-Australia teleport infrastructure, NewSat has a reputation as the partner of choice for enterprise and government customers around the world. Today, NewSat provides secure and reliable connectivity to 75% of the globe.

NewSat proposes to expand its satellite capabilities with the Jabiru Satellite Program. Set to launch Australia's first commercial Ka-band satellite, Jabiru-1 will provide high-powered, flexible capacity over the MENA and Jabiru-2, launched in 2014, will deliver highly targeted coverage across Australasia.
