1. **(Negative operative cash flows)** The company expects to continue to have negative cash flow for the time being. Major shareholders have funded to the company in the past and will continue to support the Company's continued operations. The Company has instigated a program of reduced expenditure and ongoing expenses are expected to be significantly below the levels of previous quarters.

Dear Ms Yuan,

Australia United Mining Limited (the “Company”): ASX Appendix 5B Query

I refer to the Company’s quarterly report in the form of Appendix 5B for the period ended 31 March 2015 lodged with ASX Market Announcements Platform on Thursday, 30 April 2015 (the “Appendix 5B”).

ASX notes that the Company has reported:

- negative net operating cash flows for the quarter of \$352,000;
- cash at the end of the quarter of \$71,000; and
- estimated cash outflows for the next quarter of \$250,000.

It is possible to conclude on the basis of the information provided in the Appendix 5B that if the Company were to continue to expend cash at the rate for the quarter (and at the rate estimated for the next quarter) indicated by the Appendix 5B, the Company may not have sufficient cash to continue funding its operations. In view of that, please respond to each of the following questions:

1. Does the Company expect that it will continue to have negative operating cash flows for the time being and, if not, why not?
2. Has the Company taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?
3. Does the Company expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?
4. Can the Company confirm that it is in compliance with Listing Rule 3.1 and that there is no information that should be given to ASX about its financial condition in accordance with that Rule that has not already been released to the market?

Please also provide any other information that the Company considers may be relevant to ASX forming an opinion on whether the Company is in compliance with Listing Rule 12.2.

You should note that if the information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, the Company's obligation is to disclose the information "immediately". This may require the information to be disclosed before the deadline set out in the previous paragraph.

ASX reserves the right to release a copy of this letter and your response on the ASX Market Announcements Platform under Listing Rule 18.7A. Accordingly, your response should be in a form suitable for release to the market.

This is to allow me to review your response to confirm that it is in a form appropriate for release to the market, before it is published on the ASX Market Announcements Platform.

Listing Rule 3.1

Listing Rule 3.1 requires a listed entity to give ASX immediately any information concerning it that a reasonable person would expect to have a material effect on the price or value of the entity's securities. Exceptions to this requirement are set out in Listing Rule 3.1A.

The obligation of the Company to disclose information under Listing Rules 3.1 and 3.1A is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

- the event you expect to happen that will end the trading halt;
- that you are not aware of any reason why the trading halt should not be granted; and
- any other information necessary to inform the market about the trading halt, or that we ask for.

We may require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted.

You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.

If you have any queries or concerns about any of the above, please contact me immediately.
