Dear Sirs,

## **Update on EWC's Pagbilao LNG Hub Terminal and 650MW Power Station**

We are pleased to announce that several important milestones have been achieved in the construction of the Company's LNG Hub Terminal and 650MW Combined Cycle Gas Turbine Power Station at Pagbilao this month.

These include:

- Completion of the Concreting of the LNG Tank Roof.
- Erection of the First 3 LNG Loading Arms on the Jetty.
- Installation of the Second 200MW Gas Turbine and Generator in Final Position.

Enclosed is a brief presentation with photographs showing the progress of work.

Yours faithfully,  
For and on behalf of  
ENERGY WORLD CORPORATION LTD.

Brian J. Allen  
Executive Director
