SKY Network Television Limited – Continuous Disclosure Announcement

SKY announces the launch of a partnership with Vodafone to offer broadband. SKY customers will be able to receive a \$10 ongoing monthly discount on their SKY Basic subscription when they take one of 14 eligible broadband packages powered by Vodafone. The packages range from 80 GB to unlimited broadband data with a home phone on a 12 month term. They will be available on ADSL, VDSL, Cable and Fibre.

The offer is available soon, a future timing announcement will be made with details of the broadband plans. Customers can request their preferred eligible broadband package through SKY and Vodafone will manage the sale, installation and billing requirements.
