## GCS AWARDED RENTAL SERVICES CONTRACT EXTENSION

- All inclusive management and supply contract.
- Contract extension to 31 December 2017 with renewal options.

Construction services group Global Construction Services Limited (ASX: GCS, "GCS Group") announces it has been awarded a contract variation to 31 December 2017 on the principal scaffolding contract with Woodside as Operator of the North West Shelf Project's onshore and offshore locations.

The scope of the contract variation is for the ongoing supply, maintenance, storage, transport and handling of all scaffolding equipment to 31 December 2017 with two further 12 month extension options. GCS also supplies specialist management and labour resources for Woodside as required. The contract will be under taken by GCS Group subsidiary, **GCS Integrated Services Pty Ltd**, which is based in the Northwest hub of Karratha and offers a comprehensive suite of integrated products and solutions to its customers.

"We are pleased this contract has been extended to 31 December 2017 as it is testament to the quality of the products and services GCS has been providing Woodside over the last 2 years", said GCS Group Managing Director, Enzo Gullotti.

-ENDS-

### About GCS Group

GCS Group (ASX: GCS) is an Australian construction and maintenance services company that offers a diverse range of integrated products, services and solutions covering the Infrastructure; Energy; Oil and Gas; Resources and Industrial; Commercial; and Residential sectors.

GCS Group's strategy for growth is to continue to capitalise on opportunities in the sectors it currently services, explore new markets and products, diversify into related industry sectors and acquire selected new businesses that create value for shareholders.
