2 Important Information

2.1 This Offer Document is not a prospectus

This Offer Document has been prepared by AUML, and is not a prospectus or a disclosure document for the purposes of Chapter 6D of the Corporations Act, and has not been lodged with ASIC.

The Company is offering the securities under this Offer Document without disclosure to investors under Chapter 6D of the Corporations Act, pursuant to section 708AA of the Corporations Act, which allows AUML to offer shares to existing shareholders after providing certain confirmations to the market.

The Offer Document does not purport to contain all the information that Eligible Shareholders may require to make an informed investment decision regarding, or about the rights attaching to, the New Shares. Eligible Shareholders should consider all relevant facts and circumstances, including their knowledge of the Company and disclosures made to ASX, before deciding whether to accept the Offer. In particular, it is important that you read and understand the information on AUML which is publicly available, prior to accepting the Offer. Please refer to:

- AUML's annual reports and other announcements made available at www.asx.com.au; and
- the 'cleansing notice' lodged by the Company with ASX on 22 June 2015. A copy of the 'cleansing notice' is available at www.asx.com.au (ASX: AYM).

Neither ASX nor ASIC takes any responsibility for the content of this document.

2.2 Investment risks

The New Shares offered under this Offer Document should be considered speculative. There are a number of risk factors that could potentially impact AUML and its operations. For information about these risks, please refer to section 7 of this Offer Document.

2.3 Eligibility to participate in Offer

A person will be an "**Eligible Shareholder**" and eligible to participate in the Offer if, as at 7.00pm (AEDT) Friday 26 June 2015 (**Record Date**):

- (1) the person was a registered holder of Shares; and
- (2) the person's registered address is in Australia or New Zealand.

AUML reserves the right to determine whether a Shareholder is an Eligible Shareholder or an Ineligible Shareholder. This Offer Document and Entitlement and Acceptance Form will only be sent to Eligible Shareholders.

2.4 Ineligible Shareholders

AUML has decided that it is unreasonable to make the Offer to any Shareholder with a registered address outside Australia or New Zealand as at the Record Date (**Ineligible Shareholder**), having regard to:

- the small number of Shareholders with addresses in such other countries;
- the number and value of the Shares they hold; and
- the cost to AUML of complying with applicable legal and regulatory requirements in such other countries.

Accordingly, the Offer is not being extended to, and does not qualify for distribution or sale by or to, and no New Shares will be issued to Shareholders having registered addresses outside Australia or New Zealand.

2.5 Foreign jurisdictions and restrictions on distribution of this Offer Document

The Company has not made any investigation as to the regulatory requirements that may prevail in the countries outside of Australia or New Zealand in which Shareholders may reside. The distribution of this Offer Document in jurisdictions other than Australia and New Zealand may be restricted by law and any failure to comply with such restrictions might constitute a violation of applicable securities laws.

This Offer Document and accompanying Entitlement and Acceptance Form, and any document that is related to any of them do not, and are not intended to, constitute an offer of Shares in any jurisdiction in which or to any person to whom it would not be lawful to make such an offer. No action has been taken to register AUML shares or otherwise permit a public offering of those shares in those jurisdictions. Lodgement of the Entitlement and Acceptance Form or payment by BPAY will be taken by AUML to constitute a representation by you that there has been no breach of any such law. To the extent that you hold Shares on behalf of another person resident outside Australia or New Zealand, it is your responsibility to ensure that any acceptance complies with all applicable foreign laws. Eligible Shareholders who are nominees, trustees or custodians should seek independent advice as to how to proceed.

The distribution of this document, any document that accompanies it, or any document that is related to any of them outside Australia and New Zealand may be restricted by law. In particular, this document and any document that accompanies it or any copy of any of them must not be taken into or distributed or released in the United States of America (U.S) or distributed or released by any U.S. person or to any person acting for the account or benefit of a U.S. person. Any person who comes into possession of this document, any document that accompanied it, or any document that is related to any of them should seek advice on and observe any such restrictions. Any failure to comply with such restrictions may constitute a violation of applicable securities laws, and AUML disclaims any liability in relation to any such violation.

The New Shares being offered to residents of New Zealand under this Offer Document are offered in reliance on the *Securities Act (Overseas Companies) Exemption Notice 2002* (New Zealand). This Offer Document and the accompanying Entitlement and Acceptance Form have not been registered, filed or approved by any New Zealand regulatory authority under the *Securities Act 1978* (New Zealand). This Offer Document is not an investment statement or prospectus under New Zealand law.

2.6 Custodians and nominees

The Rights Issue is being made to all Eligible Shareholders. AUML is not required to determine whether or not any Eligible Shareholder is acting as a nominee or the identity or residence of any beneficial owners of Shares.

Where any registered holder that qualifies as an Eligible Shareholder is acting as a nominee for a foreign person, that registered holder, in dealing with its beneficiary, will need to assess whether indirect participation by the beneficiary in the Rights Issue is compatible with applicable foreign laws.

Any person in the United States or any person that is, or is acting for the account or benefit of a U.S. person with a holding through a nominee may not participate in the Rights Issue and the nominee must not take up any Entitlement or send any materials into the United States or to any person that is, or is acting for the account or benefit of, a U.S. person.

AUML is not able to advise on foreign securities laws.

2.7 Fractional entitlements

Any fractional entitlements to a New Share will be rounded up to the nearest whole New Share.

2.8 Definitions

A number of terms and abbreviations used in this Offer Document have defined meanings, which are explained in the "Definitions" at section 10.

4 General information in relation to the Offer

4.1 What is the structure of the Offer?

The Offer is a 1 for 3 pro-rata non-renounceable rights issue at \$0.01 per new share, to raise up to \$2.42 million (less the costs of the Offer). It is open to Eligible Shareholders, being Shareholders who had a registered address in Australia or New Zealand on the Record Date of 7:00pm (AEDT) on Friday 26 June 2015.

AUML currently has 726,323,148 fully paid ordinary shares on issue. It will issue up to 242,107,716 new shares (which number may vary due to rounding up of fractional entitlements) (**New Shares**) under the Offer. If all 242,107,716 New Shares are issued, AUML will have 968,430,864 shares on issue. As at the date of this Offer Document, AUML does not currently have any options over unissued shares or other convertible securities on issue.

A table summarising the capital structure of the Company before and after the Offer, assuming all 242,107,716 New Shares are issued, is below:

EVENT	NO. OF SHARES
Shares on issue at date of Offer Document	726,323,148
Maximum New Shares issued pursuant to the Offer	242,107,716
MAXIMUM TOTAL SHARES ON ISSUE AFTER COMPLETION OF THE OFFER	968,430,864

The Offer opens on Monday 29 June and closes at 5:00pm (AEDT) on Wednesday 8 July. The Offer is not underwritten.

4.2 Offer Price

The Offer Price payable for each New Share is \$0.01.

Eligible Shareholders will not be required to pay brokerage or other fees in respect of New Shares acquired under the Offer. Eligible Shareholders should note that the market price of AUML Shares may rise and fall between the date of this Offer Document and the date on which the New Shares are allotted. Accordingly, the price you pay per New Share pursuant to the Offer may be higher or lower than the market price of Shares at the time of this Offer or at the time the New Shares are issued under this Offer.

AUML recommends that you monitor the price of AUML Shares, which can be done via the ASX website at www.asx.com.au (ASX: AYM).

4.3 No trading of Entitlements

The Offer is made on a 'non-renounceable' basis, which means that you cannot sell, trade or transfer all or any part of your Entitlement to New Shares under the Offer. Any part of your Entitlement that is not accepted by you will lapse.

4.4 Minimum subscription

There is no minimum subscription for the Offer.

4.5 Underwriting

The Offer is not underwritten.

4.6 Shortfall Facility

The Company proposes to adopt a dispersion strategy for dealing with any Shortfall by way of a facility for shareholders to apply for additional New Shares in excess of their Entitlements not taken up under the Rights Issue (**Shortfall Facility**).

Under the Shortfall Facility, subject to the Corporations Act and the requirements of the Listing Rules, Eligible Shareholders who subscribe for their full Entitlement may apply for more New Shares than the number shown on their Entitlement and Acceptance Form (**Additional Shares**). The issue price of each Additional Share will be the Offer Price.

The Company will only issue up to the aggregate number of New Shares that are offered under the Offer, being 242,107,716 Shares, therefore it may be necessary to scale-back Applications for Additional Shares if all Applications exceed this number.

The Company's allocation policy under the Shortfall Facility will be such that if AUML receives Applications for Additional Shares under the Shortfall Facility which in aggregate are more than the total number of Shortfall shares, then the Applications under the Shortfall Facility will be scaled back:

1. on a pro-rata basis, according to the proportional number of Shares held by each Eligible Shareholder under the Shortfall Facility as at the Record Date;
2. such that the maximum number of Shares to be issued under the Shortfall Facility will not exceed the total number of Shortfall shares; and
3. so that no Eligible Shareholder will be issued with more than the number of Additional Shares they applied for under the Shortfall Facility.

Shareholders will not be permitted to acquire a relevant interest in the Company's share capital that is in excess of 20%. Therefore, any Shareholders who may, as a result of applying for any Additional Shares under the Shortfall Facility, be at a risk of exceeding the takeovers threshold set out in section 606 of the Corporations Act, should seek professional advice before completing and returning the enclosed Entitlement and Acceptance Form.

In the event of any disputes in relation to the implementation of the allocation policy outlined above, the Board reserves the right to resolve such disputes in a manner it deems appropriate, and at its sole discretion. The decision of the Board as to allocation of Additional Shares is final.

There is no guarantee that you will receive Additional Shares and the Directors do not represent that any Applications for Additional Shares will be successful. By applying under the Shortfall Facility, you agree to accept a lesser number of Additional Shares than that applied for in your Entitlement and Acceptance Form. If the number of Additional Shares allotted to an Eligible Shareholder is less than the number applied for by that Eligible Shareholder, surplus Application Monies will be refunded in full. Interest will not be paid on monies refunded.

Any Additional Shares will be allotted at the same time as the New Shares on or around Tuesday 14 July 2015, in accordance with the Offer timetable.

4.7 Placement of remaining Shortfall

In the event that, following the close of the Offer a shortfall remains after Additional Shares are issued under the Shortfall Facility, the Directors reserve the right to place such shortfall Shares at their discretion with persons interested in subscribing for Shares in the Company (**Shortfall Placement**).

Any Shortfall Placement will be made subject to the Corporations Act and the Listing Rules, and within 3 months of the close of the Offer.

4.8 New Shares issued under the Offer

New Shares issued under the Offer will be fully paid ordinary shares ranking equally with AUML ordinary shares currently on issue. For further information on the rights attaching to New Shares, refer to section 9.

AUML will apply to ASX for Quotation of the New Shares to be issued under the Offer. If ASX does not grant permission for the Quotation of the New Shares within 3 months of the date the Offer opens, AUML will refund all Application Monies, without interest, as soon as practicable.

If you sell New Shares issued under the Offer before you receive a holding statement, you do so at your own risk.

5 How to apply for New Shares

5.1 Entitlement under the Offer

An Eligible Shareholder's Entitlement will be set out in the Entitlement and Acceptance Form accompanying this Offer Document which will be sent to Eligible Shareholders on Monday 29 June 2015. Eligible Shareholders will be entitled to 1 New Share for every 3 AUML Shares held as at the Record Date.

If you have more than one holding of AUML Shares you will receive more than one set of Offer Documents and you will have a separate Entitlement for each holding.

5.2 Options available to Eligible Shareholders

If you are an Eligible Shareholder, you may:

- (1) take up all of your Entitlement (see section 5.3 for instructions on how to do this);
- (2) in addition to applying for all of your Entitlement, apply for Additional Shares under the Shortfall Facility described in section 4.6 (see section 5.4 for instructions on how to do this);
- (3) take up part of your Entitlement and allow the balance of your entitlement to lapse (see section 5.3 for instructions on how to do this); or
- (4) allow all of your Entitlement to lapse (see section 5.7).

5.3 Applying for New Shares

The Entitlement and Acceptance Form will allow you to apply for less New Shares than your Entitlement. An Eligible Shareholder may take up all or part of their Entitlement by completing their personalised Entitlement and Acceptance Form which should accompany this Offer Document, and returning it together with the correct Application Monies in accordance with the instructions contained in section 5.5 by no later than the Closing Date of **5.00pm (AEDT) on Wednesday 8 July 2015**.

AUML may, but is not obliged to, accept an Application received after the Closing Date if the Application is postmarked prior to the Closing Date. If the Company does not accept an Application for any reason, AUML will refund any excess Application Monies to the Eligible Shareholder without interest.

5.4 Applying for Additional Shares

Eligible Shareholders who subscribe for their full Entitlement may apply for Additional Shares under the Shortfall Facility detailed in section 4.6. To do this, Eligible Shareholders should enter the number of Additional Shares they wish to apply for in the relevant section of their personalised Entitlement and Acceptance Form entitled "Application for Additional Shares if available".

The amount of Application Monies that Eligible Shareholders submit with their Applications must be equal to the Offer Price multiplied by the total number of New Shares applied for (including Additional Shares).

5.5 Form of payment

Payment of Application Monies (Application Monies must be equal to the Offer Price multiplied by the total number of New Shares applied for, including Additional Shares) will only be accepted in Australian currency, and as follows:

- (1) Through BPAY®¹. To pay by BPAY, Eligible Shareholders should make their payment using the Biller Code and Customer Reference Number set out in their personalised Entitlement and Acceptance Form. If you are an Eligible Shareholder who has multiple holdings, you will have multiple BPAY reference numbers. To ensure you receive your Entitlement in respect of that holding, you must use the Customer Reference Number shown on each personalised Entitlement

¹ ® Registered to BPAY Pty Ltd ABN 69 079 137 518

and Acceptance Form when paying for any New Shares (and if applicable, Additional Shares) that you wish to apply for in respect of that holding.

Eligible Shareholders making payment via BPAY do not need to complete and return their personalised Entitlement and Acceptance Form.

You should be aware that your own financial institution may implement earlier cut-off times for electronic payments and it is your responsibility to ensure that your payment is submitted through BPAY so that it will be received by no later than 5.00pm (AEDT) on the closing date of Wednesday 8 July 2015.

- (2) By returning your cheque, bank draft or money order payment with your completed Entitlement and Acceptance Form to the Share Registry, Computershare Investor Services Pty Limited. To pay by cheque, bank draft or money order:
- complete your personalised Entitlement and Acceptance Form;
 - attach your payment of Application Monies, which must be drawn on an Australian bank or an Australian branch of a financial institution and be made payable in Australian currency;
 - address the cheque, bank draft or money order to '**Australia United Mining Limited**' and cross '**Not Negotiable**'; and
 - return the completed Entitlement and Acceptance Form and payment by no later than the Closing Date of **5.00pm (AEDT) on Wednesday 8 July 2015** to:

Australia United Mining Limited Rights Issue
PO BOX 20634
World Square
NSW 2002

Eligible Shareholders are requested not to forward cash as cash payment will not be accepted. Receipts for payment will not be provided. Neither Computershare nor the Company accepts any responsibility if you lodge your Entitlement and Acceptance Form and payment at any other address or by any means other than those detailed above.

If the amount of Application Monies provided is insufficient to pay in full for the number of New Shares including any Additional Shares you applied for, or is more than the number of New Shares including any Additional Shares you applied for, then you will be taken to have applied for such whole number of New Shares including any Additional Shares which is covered in full by your Application Monies. Alternatively, the Company may in its discretion reject your Application, in which case any Application Monies will be refunded to you, without interest.

If you do not receive any or all of the Additional Shares you applied for, any surplus Application Monies will be refunded to you, without interest.

5.6 Effect of Application

By applying for New Shares and Additional Shares under the Offer (including by way of payment through BPAY), an Eligible Shareholder is taken to:

- (1) agree to be bound by the terms and conditions set out in this Offer Document and the accompanying Entitlement and Acceptance Form;
- (2) acknowledge the statement of risks in section 7 of this Offer Document and that investments in AUML are subject to risk;
- (3) represent and warrant that they satisfy the criteria of being an "Eligible Shareholder" set out in section 2.3;
- (4) authorise the Company to place the Eligible Shareholder's name on the Company's shareholder register in respect of those New Shares (and if applicable, Additional Shares); and

(5) agree to be bound by the Company's Constitution.

Any application for New Shares under the Offer (including by way of payment through BPAY), once lodged, cannot be withdrawn.

5.7 Allowing your Entitlement to lapse

If you do not wish to accept the Offer, take no action, and all of your Entitlement will lapse. Your shareholding in AUML, however, will be diluted.

6 The purpose and effect of the Offer

6.1 Purpose of the Offer and use of funds

AUML is making the Offer to raise funds. After payment of the costs and expenses of the Offer, the proceeds from the Rights Issue will firstly be used to strengthen AUML's balance sheet and discharge current liabilities.

Any remaining funds will be applied to meet AUML's general working capital requirements, including payment of overheads, and to enable the Company to implement and execute its business objectives in relation to its exploration projects. In particular, the Company intends to apply funds to continue with its development of a regional exploration and mining strategy in both Queensland and NSW, as described in the Company's quarterly activities report for the period ended 31 March 2015, with the aim of developing future JORC compliant resources.

6.2 Effect of the Offer on Shareholder dilution and the control of AUML

The effect of the Rights Issue on the control of AUML will depend on a number of factors, including:

- (a) the level of Eligible Shareholder participation in the Entitlement component of the Offer and the identity of Eligible Shareholders who do participate in the Entitlement component of the Offer;
- (b) if applicable, the level of Eligible Shareholder participation in the Shortfall Facility and the identity of Eligible Shareholders who do participate in the Shortfall Facility; and
- (c) if applicable, the level of shortfall remaining following the close of the Offer;
- (d) the identity of investors who participate in any Shortfall Placement following the close of the Offer; and the level of such investor participation.

The potential effect of the Offer on the control of the Company is as follows:

1. If all Eligible Shareholders take up their full Entitlements, there would be no significant effect on the control of AUML, as the Offer is made pro-rata and in that case no rights would lapse or revert to the Shortfall Facility or Shortfall Placement.
2. If Eligible Shareholders do not take up their full Entitlements under the Offer, then the interests of those Eligible Shareholders will be diluted.
3. The proportional interests of Ineligible Shareholders will be diluted because those Ineligible Shareholders are not entitled to participate in the Offer.

It is not presently possible for the Directors to predict the final level of subscription and Shortfall under the Rights Issue, or the identity of Eligible Shareholders who will subscribe for their Entitlements or Additional Shares. Further, the Directors are not presently able to state with certainty the identity of prospective subscribers under any Shortfall Placement, or the total number of shortfall shares which will or can be placed. Notwithstanding these limitations, upon the assumptions none of the subscribers of Shortfall Shares are existing shareholders, the maximum dilutionary effect the Rights Issue and shortfall placement will have on existing shareholders will be in accordance with the tables set out below (and subject to the assumptions stated below).

- (a) Assuming that the Directors are able to place 75% of the Shortfall Shares remaining following the close of the Offer:

Event	Number of Entitlement and Additional Shares issued	Number of Shares issued under Shortfall Placement	Total no. of Shares on issue post-Rights Issue	Maximum % dilution to existing Shareholders

As the Company does not propose to apply to ASIC for approval of the appointment of a nominee for the purposes of section 615 of the Corporations Act, no person will be permitted to acquire New Shares under

the Rights Issue to the extent that such acquisition results in that person holding a relevant interest exceeding 20% of the issued share capital of the Company on a post Rights Issue basis.

As the Rights Issue is not underwritten and there is no guarantee that the Directors can place any or all of the shortfall shares remaining after the close of the Offer, where the Entitlement component of the Offer and Shortfall Facility is not well subscribed, the Rights Issue may result in one or more substantial shareholders increasing their voting power in AUML (but subject to the 20% threshold). The current substantial shareholders of AUML as at the date of this Offer Document, according to substantial holding notices lodged with the Company, are as follows:

Substantial Shareholder	No. of shares	% of current issued capital
Xiao Jing Wang, WY Australia Investment Pty Ltd	137,116,363	18.88%
Jianbing Zhang	129,591,500	17.84%
Shandong Gold Pty Ltd, Xinhua Geng	94,406,009	13.00%
Chao Ma	66,666,600	9.18%

The Board is cognisant that where the Rights Issue is significantly undersubscribed, a potential effect of any Shortfall Placement may be that a subscriber under any Shortfall Placement could potentially acquire control of the Company. To this end, the Directors intend to allocate shortfall shares (if any) in accordance with the allocation policy described below, which is designed to mitigate potential control effects of any Shortfall Placement.

In the event that there are shortfall shares remaining after the close of the Offer, the Board may issue and allot the shortfall shares to sophisticated investors and professional investors introduced to the Company by the Company's advisors and/or invited by the Company to participate in the Shortfall Placement. In the event of a significant shortfall, the Board reserves the right to engage one or more brokers to act as lead manager(s) to the placement of shortfall shares. To the extent that is commercially practicable and taking into account AUML's requirement for funds, the Directors (working in conjunction with the lead manager(s) if applicable) will endeavour to allot the shortfall shares to a spread of investors, in order to mitigate any control effects which may arise from issuing the shortfall shares to a single or small number of investors. In any event, no subscriber will be permitted to acquire shares under the Shortfall Placement to the extent that such acquisition would result in that subscriber having a voting power in AUML in excess of 20% (on a post Rights Issue and Shortfall Placement basis). In determining the allottees under any Shortfall Placement, the Company (and lead manager(s) if applicable) will ensure that no shortfall shares are allotted to related parties of the Company.
