

SHARE PURCHASE PLAN

Not for release or distribution in the United States

30 June 2015

Dear Shareholder,

Offer to participate in Argent Share Purchase Plan

The Directors of Argent Minerals Limited (“**ARD**” or “**the Company**”) are pleased to offer you the opportunity to participate in the Argent Share Purchase Plan (“**SPP**”), which provides you with the opportunity to increase your shareholding at a discount to the market price and without paying brokerage or other transaction costs, as ARD embarks on its 7 hole 3,200 metre extended reach Kempfield deep diamond drilling program announced on 29 April 2015 targeting high-grade base and precious metals, downhole geophysics surveys for selected Kempfield diamond holes, and a high resolution induced polarisation (IP) geophysics survey at the Company’s West Wyalong Project.

SPP Details

The SPP offers eligible shareholders the opportunity to purchase shares in the Company (“**New Shares**”) to a value of A\$1,000, A\$2,000, A\$5,000, \$A10,000 or \$A15,000.

The SPP is not underwritten and will be capped at a total amount of \$1,171,920. An appropriate scale-back policy will be applied if valid applications exceed \$1,171,920.

The offer price for the New Shares will be \$0.022 per New Share. This represents a 6% discount to the volume weighted average price of ARD shares for the five days on which the sale of ARD shares were recorded prior to the announcement of the SPP of \$0.023. The offer price also represents a 8.4% discount to the last traded price on 29 June 2015 (the day on which trading occurred immediately prior to the opening date of the SPP) of A\$0.024.

Any New Shares not subscribed for by eligible shareholders under the SPP will comprise the shortfall (“**SPP Shortfall**”) and may be offered to investors to whom disclosure is not required to be made under section 708 of the Corporations Act (for example, sophisticated, professional and institutional investors) as a separate placement at the discretion of the Directors up to the limit permitted resolution by ARD shareholders at the shareholder meeting of the Company to be held on 7 August 2015.

Eligible Shareholders who subscribe for New Shares under the SPP, and investors who subscribe for New Shares under the SPP Shortfall placement, will be allocated one (1) free attaching option (“**Attaching Option**”) for every New Share subscribed for (subject to shareholder approval being obtained for this purpose). The Attaching Options will be exercisable for \$0.175 on or before 31 March 2016. It is proposed that the Company will seek to have the Attaching Options quoted on ASX.

The Company has appointed RM Capital Pty Ltd (“**RMC**”) as lead manager for the placement of SPP Shortfall. RMC will be paid a fee of 6% for any SPP Shortfall placed by RMC. The fee is to be paid in cash within 7 days of completion of the placement of the SPP Shortfall. Full details of the mandate between the Company and RMC are set out in Section 4.7A of the Prospectus accompanying this SPP Offer Booklet.

The Company reserves absolute discretion regarding the amount raised under the SPP and the exercise of its rights to accept additional funds or to scale-back applications. Should a scale-back happen, you may be allocated New Shares to a value which is less than the parcel of New Shares you applied for and the difference will be refunded to you.

Funds raised under the SPP will be used to fund the 7 hole extended reach Kempfield deep diamond drilling program announced on 29 April 2015 targeting high-grade base and precious metals, a downhole geophysics surveys for selected Kempfield diamond holes, a high resolution induced polarisation (IP) geophysics survey at the Company’s West Wyalong Project and for general working capital purposes. As announced on 9 June 2015, site preparations the Kempfield extended reach deep diamond drilling program have commenced, with preparation completed for the first two holes.

Participation in the SPP is entirely optional and open to shareholders who were holders of fully paid ordinary shares in ARD as at 5pm (WST) on 5 June 2015, and whose registered address is in Australia or New Zealand.

The SPP will open on (and the SPP documents will be despatched to eligible shareholders by) 30 June 2015 and will remain open until 5pm (WST) on 10 August 2015. As soon as practicable after the close of the SPP, the Company will make an announcement as to the outcome of the SPP and the number of New Shares and Attaching Option to be issued.

For legal reasons, the offer of New Shares under the SPP, and the offer of Attaching Options are made under the following separate offer documents (enclosed):

- SPP Offer Booklet;
- Prospectus for Attaching Options (“**Prospectus**”); and
- Combined application form for New Shares and Attaching Options.

These documents are important and should be read thoroughly in conjunction with the publicly available information relating to the Company. If you are unsure about whether to participate in the SPP, please contact your professional advisors. If you require further information, please contact the Company Secretary (contact details are in the enclosed instructions).

Eligible Shareholders

You are an Eligible Shareholder and may participate in the SPP if you were a registered holder of the Company's ordinary shares with a registered address in Australia or New Zealand as at 5pm WST on 5 June 2015, unless you hold the Company's shares on behalf of another person who resides outside Australia or New Zealand (in which case you will not be eligible to participate in respect of the shares of that person).

For New Zealand shareholders, you must still be a shareholder at the Record Date, being 5 June 2015.

The Company has determined that it is not practical for holders of the Company's shares with registered addresses in other countries to participate.

- **Holders receiving more than one offer:** If you are the only registered holder of a holding of the Company's shares, but you receive more than one offer under the SPP (due to multiple registered holdings), you may only contribute a maximum of A\$15,000 in applying for New Shares.
- **Joint Holders:** If 2 or more persons are recorded in the register of members of the Company as jointly holding the Company's shares, they are considered to be a single registered holder for the purpose of the SPP and they are entitled to participate in the SPP in respect of that single holding only. If as joint holders you receive more than one offer under the SPP due to multiple identical holdings, you may still only contribute a maximum of A\$15,000 in applying for New Shares.
- **Custodians, trustees and nominees:** If you are a custodian, trustee or nominee within the definition of "custodian" in ASIC Class Order [CO 09/425] (**Custodian**), you may contribute a maximum of A\$15,000 in applying for New Shares for each beneficiary on whose behalf you or a

downstream custodian hold the Company's shares (but joint holders are taken to be a single holder), subject to providing us with a certificate in accordance with paragraph (d) of "Significance of applying for New Shares" below. If you are not a Custodian, the rules for multiple single holdings apply and you may only contribute a maximum of A\$15,000 in applying for New Shares. You are not eligible to participate on behalf of a person who resides outside Australia and New Zealand.

Participation is optional

Participation in the SPP is entirely optional. If you are an Eligible Shareholder, you can choose whether or not to participate.

How much can you invest?

- (a) If you are an Eligible Shareholder, you may apply to buy a parcel of New Shares by contributing a set amount of either A\$1,000, A\$2,000, A\$5,000, A\$10,000 or A\$15,000.
- (b) This parcel may be subject to a scaleback and rounding.
- (c) Unless you are applying as a Custodian, the maximum amount of A\$15,000 applies even if you receive more than one Application Form or if you hold shares in the Company in more than one capacity (for example, if you are both a sole and joint holder of shares in the Company - see "Eligible Shareholders" above) and irrespective of the number of Company shares you hold on the Record Date. We can reject any application for New Shares and Attaching Options if we believe you have not complied with this condition.

How to apply for New Shares

If you would like to participate in the SPP, you have two options:

Option 1: BPAY

Provided you are not a Custodian, you can make a payment by BPAY if you have an Australian bank account enabled for this purpose. BPAY customers must use the customer reference number shown on the Application Form which is required to identify your holding. If paying by BPAY, you do not need to return your Application Form.

NOTE: By using this BPAY facility to apply for New Shares, you represent that the total of the application price for the following does not exceed A\$15,000:

- (a) the shares you are applying for;

- (b) any other shares you are applying for under this SPP, or shares or interests in the class issued under a similar arrangement in the 12 months before this application;
- (c) any other shares or interests in the class which you have instructed a custodian to acquire on your behalf under this SPP; and
- (d) any other shares or interests in the class issued to a custodian under an arrangement similar to this SPP in the 12 months before this application as a result of you instructing the custodian or another custodian, which resulted in you holding a beneficial interest in the shares or interests.

Payment by BPAY may not be processed and may not be valid if it has not been received by the Company by the time and date specified for the Closing Date. You should be aware that the BPAY system closes at 4pm WST and your financial institution may implement earlier cut-off times with regards to electronic payment, and you should therefore take this into consideration when making payment.

Option 2: Application Form and cheque or money order

You must complete an Application Form and return it with a cheque or money order in accordance with the instructions on the Application Form.

Cheques and money orders must be payable to "Vortex Pipes Share Purchase Plan", in Australian dollars and drawn on an Australian bank for the correct amount. The Company will not accept payment by cash.

Payment by Application Forms, cheques and money orders may not be processed and may not be valid if they have not been received by the Company by the time and date specified for the Closing Date. You must allow adequate time for Application Forms and cheques or money orders forwarded by post to be received by the Share Registry.

The Company's discretion regarding applications

The Company may accept or reject applications for New Shares and Attaching Options under the SPP, including if:

- (a) an Application Form is incorrectly completed, incomplete or otherwise determined by the Company to be invalid;
- (b) if you are a Custodian, and we are not satisfied with your certification for any reason;
- (c) a cheque is dishonoured or has not been completed correctly;

- (d) the correct amount corresponding to your application is not provided with the Application Form or BPAY payment;
- (e) a BPAY payment is not received or is incomplete or invalid;
- (f) unless you are applying as a Custodian, an applicant appears to be contributing more than A\$15,000 under the SPP;
- (g) an application is received after the time and date specified as the Closing Date. the Company has a discretion whether or not to accept late BPAY payments, Application Forms and cheques or money orders; or
- (h) the Company believes you are not an Eligible Shareholder,

and the Company must reject applications if required to do so under ASIC Class Order [CO 09/425].

The Company reserves the right to return your cheque or money order or refund your BPAY payment and not allot you any New Shares or Attaching Options.

Offer price

The offer price for the New Shares will be \$0.022 per New Share. This represents a 6% discount to the volume weighted average price of ARD shares for the five days on which the sale of ARD shares were recorded prior to the announcement of the SPP of \$0.023. The offer price also represents a 8.4% discount to the last traded price on 29 June 2015 (the day on which trading occurred immediately prior to the opening date of the SPP) of A\$0.024.

Applications may be scaled back

- (a) The amount to be raised under the SPP is capped at A\$1,171,920, though the Company reserves the right to change this cap at its discretion by announcement to ASX.
- (b) The Company reserves the right to determine the amount it raises through the SPP, including the right to scale back applications (**Scaleback**).
- (c) If there is a Scaleback you may not receive all the New Shares and Attaching Options for which you have applied. Each applicant will be treated equally and scaled back on a pro rata basis. If a Scaleback produces a fractional number when applied to your parcel, the number of New Shares and Attaching Options you will be allotted will be rounded down.
- (d) The Company will refund to you by direct credit deposit to your nominated bank account or by

cheque, the difference between your application money and the total offer price for the New Shares allotted to you.

Rounding of New Shares

- (a) If you apply for New Shares under the SPP, you agree to contribute a certain amount to buy New Shares rather than to apply for a certain number of New Shares. The number of New Shares you receive will be determined by:
 - if there is no Scaleback applied to your allotment, dividing the amount you agree to contribute for New Shares by the offer price (A\$0.022); or
 - if there is a Scaleback applied to your allotment, dividing the amount you are taken to have contributed by the offer price (A\$0.022).
- (b) If this calculation produces a fractional number, the number of New Shares and Attaching Options you will be allotted will be rounded down to the nearest whole number of New Shares and Attaching Options and:
 - if there is no Scaleback applied to your allotment, any residual balance will form part of the assets of the Company. You will not receive a refund of this amount, which will always be less than the price of one share issued under the SPP; or
 - if there is a Scaleback applied to your allotment, the residual balance from rounding down will be added to the refund you receive from the Scaleback.

No other participation costs

No brokerage, commission or other participation costs are payable by you to acquire New Shares under the SPP.

No interest

No interest will be paid on any application money returned to you.

You cannot transfer your rights under this SPP

Your rights under this offer are personal to you and non-renounceable. This means, if you are eligible, you cannot transfer your right to purchase New Shares and Attaching Options under this SPP to anyone else.

Equal ranking and rights to dividends

New Shares issued under the SPP will, at the time of issue, rank equally with existing New Shares quoted on ASX, with the same voting rights, dividend rights and other entitlements.

Significance of applying for New Shares

If you apply to participate in the SPP:

- (a) you agree that once you have sent in your application or made your BPAY payment, you cannot withdraw or cancel your application and your application is unconditional;
- (b) you confirm that you are an Eligible Shareholder and that you are lawfully permitted to accept the offer under the SPP and participate in the SPP in accordance with these Terms and Conditions and any applicable laws;

 - any other shares or interests in the class which you have instructed a custodian to acquire on your behalf under this SPP; and

To request a Custodian Certificate or if you would like further information on how to apply, you should contact the Share Registry;

- (m) you agree that the Company and the Share Registry named in the Directory below have not provided you with investment or financial product advice, and that they have no obligation to provide advice to you about your decision to apply for and buy New Shares and Attaching Options; and
