

## ASX Release

17 July 2015

### Extension of 360 Capital Industrial Fund offer

Fife Capital Funds Limited ("**Fife Funds**"), the responsible entity of the Australian Industrial REIT ("**ANI**" or the "**Fund**") notes the announcement ("**TIX Announcement**") made by 360 Capital Investment Management Limited ("**360 Capital**") as responsible entity of 360 Capital Industrial Fund ("**TIX**") on 26 June 2015 that its unsolicited off-market takeover offer for ANI announced on 19 December 2014 and updated on 24 March 2015 ("**Offer**") has been extended until 5.00pm (AEST) on 28 September 2015 (unless otherwise extended or withdrawn).

The Independent Board Committee ("**IBC**") has conducted a review of the Offer to consider, amongst other things, the Offer value to ANI unitholders in light of the distribution timing difference between ANI and TIX units. Following this review, **the IBC of Fife Funds continues to recommend that ANI unitholders REJECT the Offer.**

Fife Funds notes that the structure or terms of the Offer have not changed and the reasons to reject the Offer previously raised by the IBC remain valid:

- The Offer fails to provide a compelling or certain premium for ANI unitholders
- The Offer delivers unsatisfactory financial outcomes for ANI unitholders
- A change in management to 360 Capital Group changes the risk profile for ANI unitholders
- 360 Capital Group has unsatisfactory governance arrangements

ANI unitholders should also be aware that the Conditional Cash Payment of \$0.10 per ANI unit under the Offer is payable only if TIX receives more than 50% acceptances or if a member of the 360 Capital Group is appointed as the responsible entity of ANI before the Offer closes. Neither of these conditions has been satisfied.

TIX has extended the Offer five times since the meeting of ANI unitholders held on 25 May 2015 which firmly rejected 360 Capital's proposal to remove Fife Funds as the responsible entity of ANI and appoint 360 Capital ANI Management Limited as the new responsible entity of ANI. Despite repeated extensions of the Offer, TIX's interest in ANI has remained at approximately 31% during these extension periods.

The IBC will continue to monitor developments in relation to the Offer, and will provide updates to the market as appropriate.
