REGULATORY CAPITAL RECONCILIATION (continued)

The Level 2 group for regulatory capital purposes consists of the head entity, Suncorp-Metway Limited (SML), and its eligible subsidiaries.

There are no entities included in the regulatory scope of consolidation which are excluded from the accounting scope of consolidation.

The following legal entities are included in the accounting scope of consolidation but are excluded from the regulatory scope of consolidation:

Apollo Series 2015-1 Trust	1,179	(1,179)

Principal activity:

The Trusts were established for the purpose of raising funds, via the issue of mortgage backed securities, to fund the purchase of mortgage loans by equitable assignment.

Note

1. The Trusts qualify for regulatory capital relief under APS 120 and are therefore deconsolidated from the Level 2 regulatory group. The assets of the Trusts include the secured loans from SML, representing the outstanding balance of securitised mortgages and accrued interest, as well as cash and other receivables.

Any transfer of funds or regulatory capital within the Level 2 group can occur only after the relevant approvals from management and the Board of each affected entity, in line with the Group's capital management policies. Any such transactions must be consistent with the Group's capital management strategy objectives to ensure each entity in the Level 2 group has sufficient capital resources to maintain the business and operational requirements, retain sufficient capital to exceed externally imposed capital requirements, and ensure the Group's ability to continue as a going concern.
