Commentary on results

Explanation of Revenue

Revenue from ordinary activities of \$5,581,190 for the year ended 30 June 2015 consists entirely of the Company's investment activities and is made up as follows:

Interest from investments in financial assets	\$4,912,406
Interest from banks	\$279,139
Dividend income	\$376,141
Other income	\$13,504
Revenue from operating activities	\$5,581,190

Significant features of operating performance

The Company is invested in a portfolio of Australian dollar denominated income securities with an outstanding face value of \$71.7 million.

The profit of the Company for the year ended 30 June 2015, after providing for income tax decreased to \$3,702,931 (2014: \$4,959,860). The decline in the Company's profit was primarily driven by the reduction of the income producing assets of the Company as financial investments matured during the period with the proceeds being paid out as capital return to investors. Profits were also lower due to the RBA reducing rates by 0.5% over the year.

Detailed explanations on the above figures are included in the Company's Annual Financial Report for the year ended 30 June 2015.
