Appendix 3B – Annexure 2

Summary of Senex Employee Performance Rights Plan

How the Plan operated in FY 2015

WHAT IS A PERFORMANCE RIGHT?

A performance right (Right) is a right granted to an eligible employee of Senex Energy Limited (Senex) or any Senex subsidiary (Senex Group) under the Senex Employee Performance Rights Plan (Plan). Each Right confers on the employee an entitlement to receive a share in the Company on the Vesting Date for that Right, provided each Performance Condition for that Right is satisfied during the Performance Period for that Condition. The employee is not required to pay for the grant of Rights and for each Right that vests the employee is entitled to receive one share in the Company without payment.

GRANT OF PERFORMANCE RIGHTS

Under the Plan Rules the Company may grant Rights to an employee or the employee's associate. If an employee or their associate is granted Rights they become a participant in the Plan (Participant).

GRANT CERTIFICATE

The Company will provide a Grant Certificate for each grant of Rights. The Grant Certificate is an important document setting out the number of Rights granted to the Participant, the Performance Condition (if any) applicable to each Component of those Rights, and the Vesting Date applicable to each Tranche of those Rights.

NO SHAREHOLDER RIGHTS

Neither the status of Participant in the Plan nor the grant of Rights confers a right to vote, a right to receive dividends, or any other rights of a shareholder. A Participant only acquires the rights of a shareholder if Company shares are transferred to the Participant, and only has those rights in respect of shares that the Participant holds. Where the shares are transferred to an employee share trust to be held on behalf of the Participant, the trustee exercises those shareholder rights as the Participant directs.

PERFORMANCE YEAR

Rights are granted for a particular performance year. Each performance year commences 1 July and ends 30 June the following year (Performance Year). Rights for a particular Performance Year are normally granted at the commencement (ie on 1 July) of that Performance Year, but may be granted at any time during the Performance Year (Grant Date).

⁺ See chapter 19 for defined terms.

VESTING

A Right confers an entitlement to receive a Share upon vesting. The Vesting Date for each Tranche of Rights is specified in the Grant Certificate for those Rights.

Rights vests if:

- the Performance Condition (if any) applicable to that Component of Rights is satisfied during the Performance Period for that Condition, and
- the employee is still an employee of Senex Group on the Vesting Date for that Tranche of Rights (Vesting Condition).

PERFORMANCE CONDITIONS, PERFORMANCE PERIOD, VESTING DATE

The Grant Certificate for FY 2015 Rights specifies:

- the Performance Condition (if any) applicable to each Component of those Rights,
- the Performance Period in respect of which each Performance Condition must be satisfied, and
- the Vesting Condition (including the Vesting Date) for each Tranche of those Rights.

COMPONENTS

FY 2015 Rights may have two or more Components, with each component being subject to satisfaction of a different Performance Condition.

TRANCHES

Each Component of FY 2015 Rights may have two or more Tranches, with each Tranche vesting at a different Vesting Date.

LAPSE OF PERFORMANCE RIGHTS

A Participant's Rights generally lapse if the employee ceases to be an employee of Senex Group, if a Performance Condition applicable to those Rights is not satisfied or if the Board lapses the Rights (the Board may only do this in certain circumstances - see 10.1 below). If a Right lapses, it is immediately cancelled and is not capable of vesting.

When can the Board lapse Performance Rights?

The Board may lapse Rights in certain circumstances including where:

- (a) the Participant asks the Board to lapse the Rights;
- (b) the Participant transfers, assigns, pledges or otherwise disposes of or encumbers the Rights;
- (c) the Board determines that the Participant acted fraudulently, dishonestly, or in breach of their obligations to the Company or the Group; or
- (d) the Board determines that the Participant ceased to be an associate of the employee.

⁺ See chapter 19 for defined terms.

What happens if the employee leaves before vesting?

Subject to the limited exceptions below, the employee must be employed by a member of Senex Group on the Vesting Date applicable to their Rights in order for those Rights to vest. Rights will lapse on the date the employee ceases to be an employee, as determined by Plan Rules.

However, if employment ends for one of the following reasons (Concessional Circumstances), Rights will not immediately lapse on the date the Participant ceases to be an employee:

- (a) ill health, injury or disability, as established to the satisfaction of the Company;
- (b) the employing company ceasing to be under the Control of the Company;
- (c) a transfer of the undertaking, or the part of the undertaking, in which the Participant works to a person which is neither under the Control of the Company nor a Group Company; or
- (d) death of the Participant.

In Concessional Circumstances, Rights will continue to be capable of vesting on the relevant Vesting Date, to the extent that each applicable Performance Condition is satisfied during the Performance Period for that Condition.

Pro rata reduction

However, if employment ends in one of the Concessional Circumstances within a Performance Period, the number of Rights eligible to vest will be reduced pro-rata to reflect the proportion of the relevant Performance Period which elapsed before employment ceased. The pro-rata number of Rights will continue to be eligible to vest on the Vesting Date for those Rights, unless the Board in its absolute discretion, determines otherwise.

VESTING OF PERFORMANCE RIGHTS

At the end of each applicable Performance Period the Board will determine whether, and to what extent, the Performance Condition is satisfied. If the Performance Condition is satisfied, and Rights vest on the applicable Vesting Date, the Shares to which the Participant is entitled will be transferred to an employee share trust to hold on their behalf within 30 days following the Vesting Date. The employee must be employed by a Senex Group company on the Vesting Date to be eligible to receive the Shares, even if the Performance Condition is satisfied (unless employment ended in the Concessional Circumstances described in paragraph 10.2 above).

Any Right for which a Performance Condition is not satisfied during the Performance Period will immediately lapse.

CHANGE OF CONTROL AND CORPORATE EVENTS

If a Change of Control occurs (for example, a takeover):

A. Rights granted before 26 August 2013 will immediately Vest at the time Change of Control occurs.

⁺ See chapter 19 for defined terms.

- B. Rights granted on or after 26 August 2013 will Vest on the following basis at the time Change of Control occurs:
 - a. all unvested Rights that are subject only to a Vesting Condition will immediately vest at the time the Change of Control occurs;
 - b. all unvested Rights that are subject to a Performance Condition other than a Vesting Condition will be tested under Test #1 and Test #2 at the time the Change of Control occurs.
 - c. for each Participant:
 - i. the number of their unvested Rights that satisfy Test #1 or the number of their unvested Rights that satisfy Test #2 (whichever the greater) will immediately vest at the time the Change of Control occurs;
 - ii. the number of their unvested Rights that fail to satisfy Test #1 or the number of their unvested Rights that fail to satisfy Test #2 (whichever the lesser) will lapse one month after the Change of Control occurs; and
 - iii. the Board may exercise an overriding discretion to vest or increase vesting of unvested Rights at the time the Change of Control occurs.
 - d. Test #1:
 - i. the number of Rights eligible to vest is reduced pro rata to the extent of the Performance Period elapsed (reduced period); and
 - ii. the performance hurdle against which performance over the reduced period is tested is reduced in the same proportion.
 - e. Test #2:
 - i. the number of Rights eligible to vest is reduced pro rata to the extent to which the original performance hurdle is achieved, regardless of the extent of the Performance Period elapsed.

However, no immediate vesting will occur if the Change of Control does not involve a significant change in the identity of the ultimate shareholders of the Company.

If the Company has a bonus issue, rights issue or a reconstruction, the Board will determine whether any amendments are required to the Rights.

If the Company has a bonus issue, rights issue or a reconstruction, the Board will determine whether any amendments are required to the Rights.

AMENDMENT

The Board may amend the Plan at any time. However, any change that is prejudicial to the rights of Participants requires Participant consent.
