STRAIGHTFORWARD.

AMCOM FY15 REVIEW.

GROWTH IN TELCO AND HOSTED/CLOUD

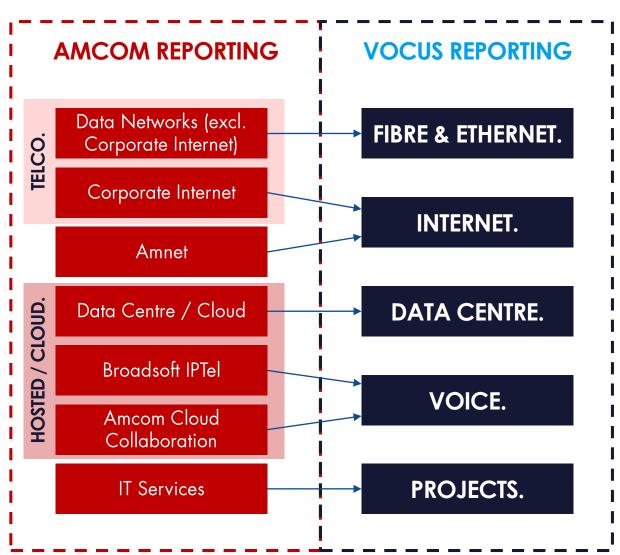

- Recurring revenue base (annuity revenue streams of Telco, Cloud & Hosted) increased to \$131m, up 7% on pcp
- Continued strength in core business (Corporate internet/data networks and Cloud & Hosted) continues to grow through strong sales and marketing effort, notwithstanding resource sector slowdown in WA.
- IT Services significantly impacted by WA slowdown
- Underlying EBITDA growth of 4%

REVENUE SEGMENTATION.

Post acquisition,
Amcom's products will
be mapped to the Vocus
revenue reporting
segments as outlined in
the diagram opposite.

THE WAY FORWARD STATE OF THE WAY FORWARD

THE WAY FORWARD.

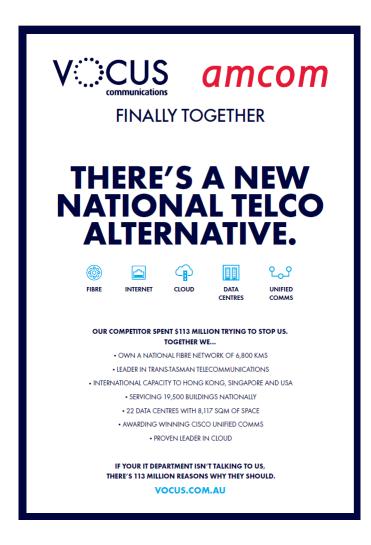

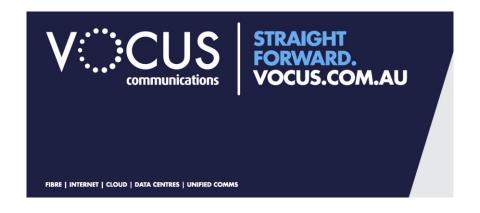

- Focus on integration and operational leverage
- To be the most loved telco in Australia and New Zealand
- Leverage global network
 - Maximise yield with over-the-top services such as Unified Communications
 - Sell more services in existing on-net buildings
- Only sell products we are great at
- Dominate Trans-Tasman business communications
- First choice in hosted voice in Australia and New Zealand
- Divest non-core business where appropriate
