## Ten Network Responds To ACCC Announcement Regarding Proposed Transactions With Foxtel And Multi Channel Network.

The Australian Competition and Consumer Commission (“ACCC”) today released a Statement of Issues in relation to Ten Network Holdings Limited’s (ASX: TEN) (“TEN”) proposed transactions with Foxtel Management Pty Limited, as agent for the Foxtel Partnership (“Foxtel”), and Multi Channel Network Pty Ltd (“MCN”).

The Statement of Issues sets out the ACCC’s preliminary views and identifies further lines of inquiry that the ACCC wishes to undertake.

TEN is in the process of reviewing the document and preparing its response.

TEN firmly considers that the objective evidence establishes that the proposed transactions will increase competition in the relevant markets.
