¹ Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

² "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

³ Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found.

Corporate Governance Statement
2015

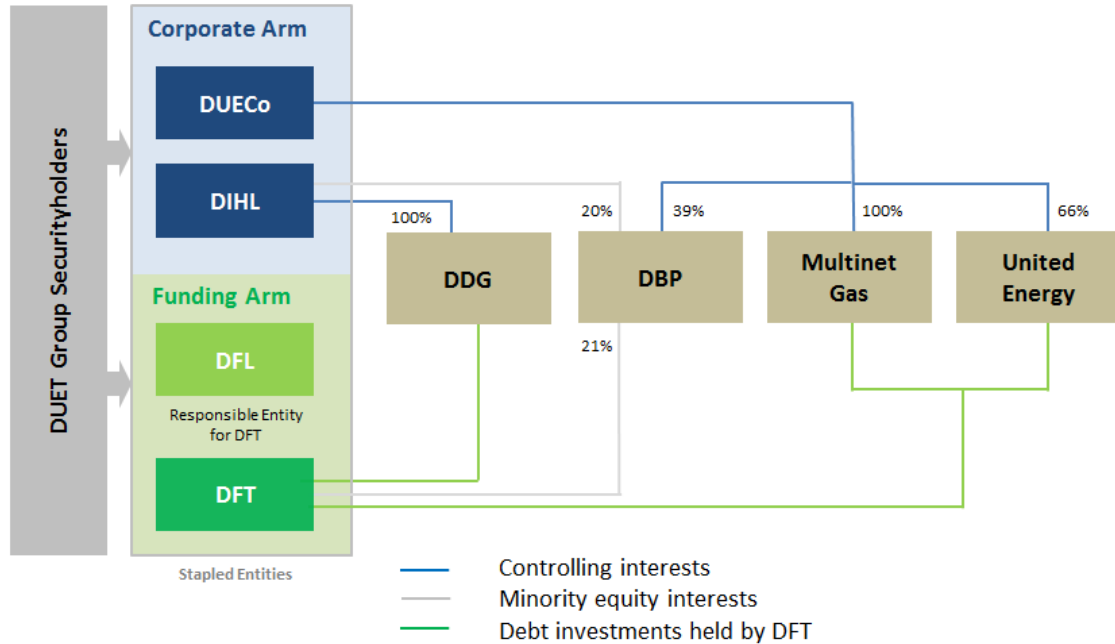

Corporate Governance Statement – as at 25 September 2015

DUET's structure

Since 1 August 2013, DUET has comprised three Australian public companies: – DUET Company Limited (DUETCo), DUET Investment Holdings Limited (DIHL) and DUET Finance Limited (DFL) (collectively the companies) and one Australian trust – DUET Finance Trust (DFT or the Trust).

DUET comprises a 'corporate arm' (DIHL and DUETCo) which controls the Group's equity interests in its operating businesses, and the 'funding arm' (DFT and its responsible entity, DFL) primarily holding debt investments in those businesses.

The structure is represented diagrammatically below.

Note: Structure is in summary form with interposed entities not shown

The securities of the Trust and companies are listed on the ASX (ASX: DUE) and must trade and otherwise be dealt with together. There is a Stapling Deed in place between all four entities setting out co-operation arrangements for the operation of this stapled structure.

DUET's approach to corporate governance

The DUET boards are committed to DUET's achievement of superior and sustainable financial performance and long-term prosperity, while meeting stakeholders' expectations of sound corporate governance practices. This statement outlines DUET's main corporate governance practices as at 26 September 2014.

The DUET boards determine the corporate governance arrangements for DUET. As with all its business activities, DUET is proactive in respect of corporate governance and puts in place those arrangements which it considers are in the best interests of DUET and its investors and consistent with its responsibilities to other stakeholders. It actively reviews Australian and international developments in corporate governance.

ASX Corporate Governance Principles

The ASX Corporate Governance Council (the Council) has Corporate Governance Principles and Recommendations (the Principles) which are designed to maximise corporate performance and accountability in the interests of shareholders and the broader economy. The Principles encompass matters such as board composition, committees and compliance procedures.

The Principles (being those under ASX's 3rd edition of Corporate Governance Principles and Recommendations dated March 2014) can be viewed at www.asx.com.au. The Principles are not prescriptive, however ASX listed entities (including DUET) are required to disclose the extent of their compliance with the Principles, and to explain why they have not adopted a Principle if they consider it inappropriate in their particular circumstances.

DUET's corporate governance statement is in the form of a report against the Principles. DUET's corporate governance policies conform to the Principles and we have lodged with the ASX an Appendix 4G (Key to Disclosures – Corporate Governance Council Principles and Recommendations). A summary of our disclosure against the Principles is set out below.

Principle 1: Lay solid foundations for management and oversight

DUET follows all recommendations set out in Principle 1.

Recommendation 1.1 – Board delegations

Responsibility for corporate governance and the internal working of each DUET entity rests with the board of DUECo, DFL or DIHL, as the case may be. The board of each company has adopted a formal charter of directors' functions and matters to be delegated to management, having regard to the recommendations in the Principles. An outline of the boards' responsibilities in each company's charter is set out below:

- Setting objectives, goals and strategic direction for management, with a view to maximising investor wealth
- Monitoring the implementation of DUET's investment policy
- Approving and monitoring the progress of major capital expenditure, capital management, acquisitions and divestures
- Adopting an annual budget and monitoring its financial performance
- reviewing the performance of the CEO and CFO or their equivalents and where appropriate replacing those officers
- Appointing and removing the company secretary
- Monitoring senior management's performance, implementation of strategy, and resources
- Reviewing, ratifying and monitoring systems of risk management, compliance and codes of conduct
- Approving and monitoring financial and other reporting
- Setting the highest business standards and codes for ethical behaviour and monitoring compliance with them.

In addition to the matters outlined above, the charters provide for the DUET boards to make all decisions in respect of investments and divestments, any further funding or security required for existing investments, capital management and restructuring, approval of financial accounts, appointment of auditors, distributions, annual reports, significant ASX releases and any significant changes to policies or debt facilities. The CEO and CFO have delegated authority (through directorships on asset boards) to make decisions in respect of corporate level day-to-day administration up to certain delegated levels and day-to-day matters for asset administration including appointment of advisers and approvals of asset business plans, budgets, capital expenditure, refinancings, hedging and valuations.

Full board meetings are held at least bi-monthly for DUECo, DIHL and DFL. Other meetings are called as required. Directors are provided with board reports in advance of board meetings, which contain sufficient information to enable informed discussion of all agenda items.

Recommendation 1.2 and 1.3 – Background checks and appointment letters

Each independent/non-executive director of DUECo, DIHL and DFL has undergone appropriate background checks (including character, experience, education, criminal record and insolvency) and has received a letter of appointment which details the key terms of their appointment. This letter includes all of the recommended matters in the Principles. Each director also enters into required agreements regarding insurance, access to records and disclosure of any trading in DUET securities as required under the Listing Rules.

The 2015 Notice of Meeting for the election of directors sets out all information suggested by Recommendation 1.2.

The CEO, CFO and Company Secretary, being DUET's senior executives, have formalised job descriptions and, letters of appointment. To ensure that the DUET senior executives properly perform their duties, the following procedures are in place:

- The performance of staff, including the CEO, CFO and Company Secretary, is assessed as part of DUET's formal employee performance appraisal process. Employees are assessed against set behavioural and technical competencies. The assessment criteria used in determining remuneration is outlined in the 2014 remuneration report. The relevant boards provide annual feedback on the performance of the CEO, CFO and Company Secretary and the chairman of the board and remuneration committee conducts the annual performance review with the CEO, CFO and Company Secretary.

- A formal review for the CEO, CFO and Company Secretary was undertaken during the financial year ending 30 June 2015
- A formal induction program was undertaken to allow senior executives to participate fully and actively in management decision-making
- Executives have access to continuing education to update and enhance their skills and knowledge.

Any material changes to the CEO's employment agreement will be notified to the ASX in accordance with the Listing Rules.

Recommendation 1.4 – Company Secretary reports to the Board

The Company Secretary has a direct reporting line to each of the DIHL, DUECo and DFL Boards in regard to all matters to do with the proper functioning of those boards and their committees.

Recommendation 1.5 - Diversity Policy

DUET respects and values diversity in its boards and workforce at all levels and has established a diversity policy, a summary of which can be found on our website.

DUET seeks to influence diversity in the group based on the principles outlined in its diversity policy.

DUET seeks to influence diversity at each of its business units through board representatives seeking to promote the implementation of appropriate diversity policies in these businesses to the extent that they are able under the co ownership arrangements.

An annual review of diversity is considered by the DUET Nomination Committees and boards. This will monitor DUET's progress in influencing diversity at the board level, in its management team and in the workforces of its utility businesses.

The achievement of gender diversity is measured in the terms of the advancement of women as follows:

- increasing the number of women on the DUET boards over time as part of the board renewal process. In this regard, as part of DUET Group's structure simplification in August 2013 and as part of the board succession planning in May 2014, an additional three women were appointed to the DUET boards.
- increasing the number of women in senior management roles within the group and generally in the workforce of DUET's business units over the next 5 years.

Currently there are four women on the DUET boards and one woman (company secretary/general counsel role) in a three person DUET senior executive team. DUET defines senior executives as key management personnel (as set out in the Remuneration Report) (ie the CEO and CFO) and those with a direct reporting line to the Board (ie the Company Secretary / General Counsel). Overall there are approximately 55% women in the DUET management team. They perform mainly support roles.

Diversity policies and initiatives are in place at Multinet, UED and DBP and further detail is included in the environmental and social responsibility section of the Annual Report.

Recommendation 1.6 - Board performance evaluation

To ensure that the directors of DUECo, DIHL and DFL are properly performing their duties, the following procedures are in place in accordance with recommendations 1.6 and 2.6:

- A formal annual performance self-assessment of the boards, the audit and risk committees and individual directors
- A formal induction program for directors (including briefings with the CEO, CFO, General Counsel, Company Secretary and asset company site visits including management briefings)
- Access by directors to continuing education to update and enhance their skills and knowledge.

The procedure for evaluation of the boards' performance is:

- Directors are given the opportunity to discuss individual performance and feedback on performance via questionnaire and if necessary the chairman meets with each independent director to discuss the effectiveness of the board and board committees as a whole;

- The board as a whole discusses and analyses board and committee performance during the year, including suggestions for change or improvement, based on the questionnaire responses and the chairman's feedback from conducting separate meetings (if any) with the independent directors;
- During the year, impromptu discussions regarding any suggestions for change or improvement are discussed by the Nomination Committees and Boards;
- External feedback on the new director appointments is provided by an external search firm and discussed by the Board shortly after appointment and prior to the new director seeking election by securityholders.

An evaluation of board performance was undertaken during the financial year ended 30 June 2015 with no material changes proposed to the Board processes or individual director contributions other than suspending the 'common director' role introduced in August 2013 whereby previously one of the directors was on each of the DIHL, DUECo and DFL boards. The directors decided that this was not necessary at this time and therefore in February 2015 Ron Finlay resigned from the board of DFL but remained on the DIHL and DUECo boards.

Principle 2: Structure the board to add value

DUET follows all recommendations set out in Principle 2.

Recommendation 2.3 – Board Composition

The corporate arm (DIHL and DUECo) have separate but identical boards of directors and hold contemporaneous board meetings. The funding arm (DFL) board meets separately to DIHL and DUECo. There are joint management briefings on items of common interest to DIHL, DUECo and DFL (eg strategy, capital raisings, presentations and ASX releases for distribution guidance, financial results and general meetings).

Profiles of the directors can be found on the DUET website. Directors with a range of experience, qualifications and experience are appointed to the board to enable each of the boards to effectively discharge their duties and to add value to the board's deliberations. In accordance with Recommendation 2.3, the names, tenure and independence status of each director is set out below.

DUECo and DIHL board of directors

The DUECo and DIHL board of directors is comprised as follows:

Director Name	Position	Classification	Appointment Date	Last Election by Securityholders
Douglas Halley	Chairman	Independent	13 February 2006 – DIHL 2 August 2013 - DUECo	19 November 2014
Emma Stein	Director	Independent	12 July 2006 – DIHL 2 August 2013 – DUECo (previously appointed as a director of a DUET responsible entity from 16 June 2004)	22 November 2013 (seeking re-election 18 November 2015)
Ron Finlay	Director	Independent	4 August 2006 – DIHL 2 April 2013 - DUECo	22 November 2013 (seeking re-election 18 November 2015)
Shirley In't Veld	Director	Independent	2 August 2013 – DIHL 2 April 2013 – DUECo	19 November 2014
Jack Hamilton	Director	Independent	23 May 2014 – DIHL 23 May 2014 – DUECo	19 November 2014
Simon Perrott	Director	Independent	1 July 2015 – DIHL and DUECo	Nil – seeking election 18 November 2015

DFL board of directors

The DFL board of directors is comprised as follows:

Director Name	Position	Classification	Appointment Date	Last Election by Securityholder
Eric Goodwin	Chairman	Independent	16 June 2004 (appointed chairman 2 August 2013)	22 November 2013 (seeking re-election 18 November 2015)
Jane Harvey	Director	Independent	2 August 2013 (previously appointed as a director of DUET Company Limited from 2 April 2013)	19 November 2014
Terri Benson	Director	Independent	23 May 2014	19 November 2014

* As noted above, DFL suspended the 'common director' role introduced in August 2013 whereby previously one of the directors was on each of the DIHL, DUECo and DFL boards. The directors decided that this was not necessary at this time and therefore in February 2015 Ron Finlay resigned from the board of DFL but remained on the DIHL and DUECo boards.

Recommendation 2.1 -Nomination committee

Each of DUECo, DIHL and DFL have appointed a Nomination Committee which reviews board composition and succession planning. As at September 2015, the composition of the Nomination Committees of each board and the Committee meeting held and attending during the financial year ending 30 June 2015 in accordance with recommendation 2.1 are set out below.

DUECo and DIHL	Meetings attended ¹	DFL	Meetings attended ²
Emma Stein (NomCom chair)	9	Terri Benson (chair)	3
Doug Halley	10	Eric Goodwin	3
Simon Perrott	Nil ³	Jane Harvey	3
Shirley In't Veld (RemCom chair)	10		

1. 6 meetings held for DIHL/DUECo

2.2 meetings held for DFL.

3 Simon Perrott joined the Committee on 1 July 2015 and therefore did not attend any Committee meetings during financial year ended 30 June 2015.

Recommendation 2.2 to 2.6 - Appointment to the boards, director appointments, independence, diversity and skills matrix

All directors (except for Simon Perrott appointed on 1 July 2015) have been re-elected by securityholders.

The DUET Boards consider the selection of appropriately experienced independent directors as an important contribution to DUET's performance. From an investor protection viewpoint, DUET has a majority of independent directors on all of the DUET boards and independent chairman. The board charter requires that the Boards comprise Directors with a broad range of skills, expertise and experience from a diverse range of backgrounds.

Details of the appointment arrangements are set out below.

- Conduct appropriate background checks, enter director appointment documentation and conduct a formal induction program as set out at Recommendation 1.6.
- The board is to comprise at least three directors and not more than 10 directors.
- The Constitution of DUECo, DIHL and DFL contain criteria regarding the eligibility of directors to the effect that:
 - The Chairperson of DIHL and DUECo will be the same person and cannot be a director of DFL; and
 - DFL can have one (but can have no more than one) director who is also a director of DUECo and/or DIHL.
- In accordance with Recommendation 2.4, independent directors are to comprise a majority of the board.

- The board is to comprise directors with an appropriate range of qualifications and expertise.
- In accordance with the commentary in Recommendation 2.3 in regard to the indicia of independence, to ensure that the board has the benefit of regular new input and to avoid the potential for loss of objectivity over time, any director who has served on the Board for more than 10 years will have their independence assessed on an annual basis. When such a director is next due for re-election by securityholders, the director can only continue to hold office if their ongoing candidacy is recommended by the Nomination Committee which is the case in regard to all directors originally appointed in June 2004.

Independence

Independence of directors determined by objective criteria is acknowledged as being desirable to protect investor interests and to optimise the financial performance of DUET and returns to investors.

In determining the status of a director, DUET applies the standards of independence which are the same as the factors set out in Box 2.3 of the Principles. Full details of DUET's independence criteria are as follows:

An independent director is a director of the responsible entity and/or special purpose vehicle who is not a member of management (a non-executive director) and who meets the following criteria:

- Is not, and has not, within the last three years, been:
 - employed in an executive capacity by any member of the DUET Group or any of the Company's child entities;
 - a director who has been a partner, director or senior employee of a provider of material professional services to DUET; or
 - in a material business relationship (eg as a supplier or customer) with DUET or any of its child entities, or an officer of or otherwise associated with, someone with such a relationship.
- Is not a substantial securityholder (as defined in the Corporations Act) of DUET or an officer of, or otherwise associated with, a substantial securityholder of DUET.
- Has no material contractual relationships with DUET or any of the Company's child entities other than as a director.
- Has no close family ties with any person who falls within any of the categories described above.
- Has not been a director of any of the DUET Group stapled entities for such a period that his or her independence may have been compromised.

The Board believes that independence is evidenced by an ability to constructively challenge and independently contribute to the work of the Board. The above criteria are satisfied if any interest or relationship does not materially interfere with the exercise of a Voting Director's independent judgement. Materiality is assessed having regard to each individual director's circumstances, the circumstances of the Substantial Holder, supplier, customer or advisor and any other significant relationships with DUET.

Each year Independent directors are required to provide DUET with written confirmation of their independence status and they have each undertaken to inform DUET if they cease to satisfy the DUET independence criteria at any time.

As part of the preparation in August 2015 of the Notice of Meeting for the 2015 Annual General Meeting, the Nomination Committees and Boards considered the independence of each director and determined that all directors are independent. In particular, that any director that has served on the Board for more than 10 years has not become too close to management to be considered independent. The company secretary also monitors compliance with the DUET independence criteria and seeks information from the independent directors in this regard if necessary and reports to the board.

Director selection, diversity and skills matrix

The following guidelines apply to director selection and nomination:

- Integrity
- Reputation and standing in the market
- Particular expertise (sector and functional) and the degree to which they complement the skill set of the existing board members

- Contribution to the diversity of the board in accordance with ASX Corporate Governance Council guiding principles of good governance .

A regular assessment of the range of qualifications, skills, experience, diversity and backgrounds on the Boards is undertaken to enable the identification of particular competencies and perspectives that will best increase the Boards effectiveness. In accordance with Recommendation 2.2, the Boards have developed a skills matrix which they utilise as part of their respective board succession plans, including for the most recent director appointment in July 2015 and for the director appointments in May 2014.

DUET currently has a diverse range of skills amongst its directors which, as a group, enable the Boards to effectively discharge their obligations, challenge management and contribute to DUET's strategic debate. Every director has had exposure to current corporate governance practices and all Directors possess significant financial acumen. The range of backgrounds, skills and expertise currently represented on the Boards includes finance, audit, treasury, accounting, prior CFO's and CEO's, legal, corporate governance, capital markets, M&A, infrastructure and major projects, resources, energy and engineering.

In the case of prospective independent directors, actual and perceived independence from DUET is also considered. Professional intermediaries and/or industry contacts are used to identify and/or assess candidates. The Board recognises the need to identify potential areas of future enhancements in the skill sets represented on the Boards and the skills sets to be prioritised in a profile for potential future Directors. Regard is had to diversity, director or chairmanship experience and the appropriate mix of financial, professional and specific industry skills (as set out above) as part of the appointment and board succession process.

As noted at Recommendation 1.6 and above, a formal induction program is conducted for all new directors.

Chairman

The chairman of the DUECo and DIHL board is Doug Halley, an independent director. The chairman of the DFL board is Eric Goodwin, an independent director.

In all cases, the chairman does not exercise the role of CEO. That role is performed by David Bartholomew who was appointed as CEO in February 2011. The DUECo, DIHL and DFL board charters provide that the independent directors of each entity will separately meet at least once per year in the absence of management and at other times as they determine.

Independent professional advice

The directors of DUECo, DIHL and DFL are entitled to obtain independent professional advice at the cost of the relevant trust or company subject to the estimated costs being first approved by the chairman as reasonable.

Principle 3: Act ethically and responsibly

DUET follows the recommendation set out in Principle 3.

DUET is committed to being a good corporate citizen and has a robust framework of policies to achieve this.

Recommendation 3.1 - Code of Conduct

Ethical conduct

DUET's Code of Conduct covers DUET's dealing with external parties and how it operates internally. The Code sets the standards for dealing ethically with employees, investors, customers, regulatory bodies and the financial and wider community, and the responsibility and accountability of individuals for reporting and investigating reports of unethical behaviour. The Code includes whistleblower, anti-corruption and dealing with governments and anti-money laundering policies.

The Code is periodically reviewed and endorsed by the DUET Boards. The Code is distributed to all directors and staff and reinforced at induction and other training programs.

Managing conflicts

DUET has established protocols for identifying and managing conflicts.

In the case of the DUET Boards:

- Board members declare their interests as required under the Corporations Act, ASX Listing Rules and other general law requirements
- Board members with a material personal interest in a matter are not present at a Board meeting during the consideration of the matter and subsequent vote unless the Board (excluding the relevant Board member) resolves otherwise
- Board members with a conflict not involving a material personal interest may be required to absent themselves from the relevant deliberations of the Board.

Personal conflicts that might arise generally for directors and staff are covered by the Code of Conduct referred to above.

Staff and director trading

A policy on securities dealings is in place under which directors and staff are restricted in their ability to deal in DUET stapled securities. Security trading by DUET directors, officers and staff is permitted only during four-week special trading windows following the release of DUET's half-yearly and yearly financial results, and following the annual general meeting or lodgement with ASIC and ASX of a disclosure document for a capital raising or a cleansing statement for a rights issue.

When the trading window is not opened following results announcements, pending disclosure of significant transactional activity being undertaken by DUET, a special four-week trading window may apply following an ASX release in respect of the transaction.

Principle 4: Safeguard integrity in financial reporting

DUET follows all of the recommendations set out in Principle 4.

Recommendation 4.1 – Composition audit and risk committees

Each of DUECo, DIHL and DFL has appointed an audit and risk committee which:

- includes members with appropriate financial qualifications and experience
- has at least 3 non-executive directors
- all members are independent directors
- is chaired by a director who is not the chair of the Board.

The Audit and Risk Committees are currently comprised as follows:

DUECo and DIHL	Meetings attended ¹	DFL	Meetings attended ²
Ron Finlay (chair) ³	2	Jane Harvey (chair)	4
Emma Stein	3	Eric Goodwin	4
Doug Halley	3	Terri Benson ⁴	4
Jack Hamilton ⁴	2		

¹ DIHL and DUECo held 3 Audit and Risk Committee meetings during financial year ended 30 June 2015.

² DFL held 4 Audit and Risk Committee meetings during financial year ended 30 June 2015.

³ Ron Finlay was appointed as chair of the Audit and Risk Committee on 20 February 2015 so did not attend all DIHL/DUECo Committee meetings during FY2015 but attended 2 DFL Committee meetings during FY2015.

The qualifications of the members of each audit and risk committee can be found on the DUET website and in the Annual Report.

Audit and risk committee charters

In establishing its audit and risk committee, each of DUECo, DIHL and DFL has established a charter under which the committee is to operate. The charter is materially the same for each company.

The responsibilities of the audit and risk committee under each charter in relation to financial reporting are to:

- Review and report to the board on the financial statements and related notes, and on the external auditor's audit of the financial statements and the report thereon
- Recommend to the board the appointment and removal of the external auditor, review the terms of its engagement including arrangements for the rotation of external audit partners, and the scope and quality of the audit
- Monitor auditor independence. The audit and risk committee meets with the external auditor at least twice a year and more frequently if required.

In addition, the DFL Audit and Risk Committee is responsible for monitoring compliance with the Trust's compliance plan.

Details of the risk monitoring duties of the audit and risk committees are set out in the Principle 7 commentary.

Recommendation 4.2 – CEO and CFO declaration

The DFL, DIHL and DUECo boards have prior to approving the financial statements, received assurance from the CEO and CFO that their declaration under s295A of the Corporations Act 2001 is founded on a sound system of risk management and internal control and that the system is operating effectively in all material respects in relation to financial reporting risks.

Recommendation 4.3 - Auditor attendance at AGM and independence

The auditor attends DUET's annual general meetings and is available to answer security holder questions on the conduct of the audit, and the preparation and content of the auditor's report.

The audit and risk committees have adopted a policy which includes the following to ensure the independence of the external auditor:

- The external auditor must remain independent from DUET at all times and must comply with APES 110: Code of Ethics for Professional Accountants pertaining to financial independence, and business and employment relationships
- The external auditor must monitor its independence and report to the board every six months that it has remained independent
- Significant permissible non-audit assignments awarded to the external auditor must be approved in advance by the audit and risk committees (or their respective chairperson between meetings)
- All non-audit assignments are to be reported to the audit and risk committees every six months
- The DUET audit engagement partner and review partner must be rotated every five years unless extended in accordance with the Corporations Act.

The DUECo, DIHL and DFL boards and audit and risk committees are of the view that, at the present time, Ernst & Young is best placed to provide DUET's audit services. Ernst & Young is a top tier professional services firm and has provided audit services to DUET since its establishment and is familiar with its structure and businesses.

The auditor is required to be independent from DUET. Ernst & Young meets this requirement.

Principle 5: Make timely and balanced disclosure

DUET follows the recommendation in Principle 5.

It is DUET's policy to provide timely, open and accurate information to all stakeholders, including investors, regulators and the wider investment community. Under the terms of the stapling deed,

DUECo, DIHL and DFL are obliged to exchange relevant information and coordinate ASX releases and financial reporting.

DUET has an external communications policy which includes policies and procedures in relation to disclosure and compliance with the disclosure requirements in the ASX Listing Rules. The procedures include dealing with potentially price-sensitive information which includes referral to the CEO and company secretary/general counsel and sometimes the DUET boards for a determination as to disclosure required or any potential need to request a trading halt. The ASX liaison person is the company secretary.

What you can find on our website:

— [External communications policy summary](#).

Principle 6: Respect the rights of shareholders

DUET follows all of the recommendations in Principle 6.

Recommendation 6.1 and 6.4 – DUET website and electronic communications

DUET has developed a security holder communications policy. The cornerstone of this policy is the delivery of timely and relevant information as described below.

Investors are provided with an annual report and financial statements either by accessing DUET's website or in hard copy, if specifically requested, which keep them informed of DUET's performance and operations. Investors are notified in writing when this material becomes available and are provided with details of how to access it. As approved at the 2014 AGM, DUET only makes electronic payment of distributions to Australian and New Zealand securityholders and is encouraging investors to receive electronic communications rather than hard copy.

DUET's policy is to lodge market-sensitive information with the ASX and place it on the DUET website, including annual and interim result announcements and analyst presentations, as soon as practically possible. DUET's website (www.duet.net.au) contains recent announcements, presentations, past and current reports and distributions to security holders, security price data and answers to frequently asked questions. Investors may also register here to receive email copies of DUET's significant ASX announcements.

Recommendation 6.2 – Investor Relations

Domestic investor meetings are held regularly throughout Australia. Meetings are also held with international institutional investors on an annual basis. Where they contain new information, analyst and investor meeting presentations are released to the ASX and included on the DUET website.

In addition to the statutory reporting, DUET also produces a Management Information Report (MIR) which includes a detailed asset information pack which is updated semi-annually. The MIR aim to provide transparency regarding the operating performance of DUET Group's underlying businesses. The MIR is released to the ASX at the same time as the statutory accounts and consists of detailed business descriptions and corresponding financial outputs and key operating statistics.

Recommendation 6.3 – Securityholder meetings

Meetings of the four DUET entities are convened at least once a year, usually in November. DUECo, DIHL and DFL are required to hold an annual general meeting (AGM) each year.

In the case of the Trust, which is not required under the Corporations Act to hold an AGM, this is usually an informal annual meeting held at the same time as the DFL AGM unless there is formal Trust business to be considered. Presentations by the chairman and CEO at the AGM are webcast.

For formal meetings, an explanatory memorandum on the resolutions is included with the notice of meeting.

Unless specifically stated in the notice of meeting, all holders of fully paid securities are eligible to vote on all resolutions.

In the event that security holders cannot attend formal meetings, they can dial in to the meeting by phone or webcast and they are able to lodge a proxy in accordance with the Corporations Act which includes electronic voting via desktop tablet or mobile devices. Proxy forms can be mailed, lodged by facsimile or captured via the registry provider's online proxy lodgement portal.

Principle 7: Recognise and manage risk

DUET follows all of the Recommendations in Principle 7.

Recommendation 7.1 – Risk committee

As noted at Recommendation 4.1, each of DUECo, DIHL and DFL has appointed an audit and risk committee which complies with the Principles.

Recommendation 7.2 – Risk management framework

Each of DUECo, DIHL and DFL have formalised risk management policies. Compliance with these policies is monitored by their respective audit and risk committees.

Risks are managed through the risk management framework in place and include:

- Investment risk
- Regulatory and reporting risks
- Financial risks (such as liquidity, interest rate, currency, investment, credit)
- Employment risks
- Legal risk (such as contract enforceability, covenants, litigation)
- Compliance risk
- Operational risks (such as people, processes, infrastructure, technology, systems, outsourcing and geographic coverage)
- Environmental and social risks
- Occupational health and safety risks
- Project risks
- Business performance risks
- Reputation risks
- Strategic risks.

As part of its risk monitoring duties each audit and risk committee is required to:

- i. Enquire of management and the external auditor about significant risks or exposures and assess the steps management has taken to minimise such risk to DUET
- ii. Consider and review with the external auditor:
 - o The adequacy of DUET's internal controls including computerised information system controls and security
 - o Any related significant findings and recommendations of the external auditor on the matter of internal controls together with management's responses thereto
- iii. Monitor and review (at least annually) the effectiveness of DUET's operational risk management framework and compliance with key risk management policies
- iv. Review the scope of any internal audit to be conducted and the independence of internal audit team.

Each of DUET's businesses maintains its own risk management framework and supporting infrastructure to manage its own risk. DUET's ability to control or influence this framework and infrastructure differs based on DUET's level of ownership and control. It is DUET's policy to confirm that each business has an appropriate risk management framework in place to assist the business to effectively manage its risks. During the year management has reported to the audit and risk committees as to the effectiveness of DUET's management of its material risks.

DUET staff also oversee DUET's risk management framework by monitoring the Trust compliance plan and ensuring that there is an underlying compliance framework including detailed policies and procedures, staff training and supervision and appropriate compliance reporting.

Given that the DFL board is comprised of a majority of independent directors the Audit and Risk Committee also oversees the Trust's compliance plan and quarterly reporting.

Recommendation 7.3 – Internal audit

DUET does not have its own internal audit function. For the financial year ended 30 June 2015, DUET has engaged Deloitte to conduct periodic internal audits. A review of internal control processes was undertaken in October 2014.

Recommendation 7.4 - Environmental and social responsibility management

DUET believes that many economic, environmental and social benefits arise from responsible private sector development and the operation of high-quality, energy infrastructure. DUET is also aware that with these benefits lies the potential for risk. DUET's approach to the management of these economic, environmental and social risks is set out in its Board policies. These policies form part of DUET's overarching risk management framework in accordance with Principle 7 of DUET's corporate governance statement. It is DUET's policy to ensure that it and each of its businesses are in compliance with the relevant regulatory frameworks and meet or exceed the minimum standards required of it.

DUET's economic, environmental and social responsibilities are managed throughout the investment process as follows:

- **Business selection** – environmental and social responsibilities are reviewed as part of the acquisition due diligence process
- **Ongoing business management** – regular board reporting enables compliance with environmental requirements to be monitored, and environmental and social responsibility issues to be identified
- **Stakeholder reporting** – policies, social and environmental initiatives and compliance performance are reported internally and, where appropriate, externally.

Set out below are summaries of the key risks of which management and the boards are aware, which may materially impact the execution and achievement of the business strategies and prospects for the DUET Group in future financial years. These key risks should not be taken to be a complete or exhaustive list of the risks and uncertainties associated with the DUET Group. Many of the risks are outside the control of the Group.

1) *Economic Risks*

General economic conditions

The DUET Group's operating and financial performance is influenced by a variety of general economic and business conditions, including economic growth, inflation, interest rates, commodity prices, the ability to access debt and equity funding, demand conditions, government fiscal and monetary policies and consumer and investment sentiment. Prolonged deterioration in these conditions could have a materially adverse impact on the Group's operating and financial performance.

To the extent possible, the Group manages these risks by incorporating a consideration of general economic conditions and future expectations into its regulatory submissions and financial plans and forecasts.

Regulatory risk

The DUET Group operates in regulated industries and carries out its business activities under various permits, licences, approvals and authorities from regulatory bodies. Regulatory bodies are responsible for setting revenue caps and/or tariffs, which directly impact a significant proportion of the DUET Group's revenue and therefore any adverse change to regulatory revenue caps or tariffs would impact the Group's profitability. In addition, if any permits, licences, approvals or authorities are revoked, or if the DUET Group breaches its permitted operating conditions, this would adversely impact the DUET Group's operations and profitability.

DUET Group's operating businesses must satisfy a prudency test for operating and capital expenditure and borrowing costs to be recovered through the regulatory revenue mechanism. There is a risk that despite expenditure being incurred, the recovery of this expenditure is disallowed by the relevant regulatory body.

The regulatory compliance and network performance risks of DUET Group are actively managed by drawing on DUET's operating companies' highly experienced in-house regulatory staff and engineers. Regulatory risk is also mitigated by the use of industry experts when the Group prepares for regulatory reviews. Other measures employed include the regular monitoring of key performance indicators of network availability, equipment condition monitoring and the implementation of annual asset management plans.

Interest rate risk

There is a risk that changes in DUET Group's credit ratings, prevailing market interest rates and the strength of capital markets will influence the DUET Group's interest costs and its ability to refinance debt. The DUET Group has a structured and proactive approach to understanding and managing interest rate risk. DUET focuses on maintaining and monitoring base interest rate hedging commitments and diversified funding sources with reputable financial institutions both locally and globally.

Tax Risk

The risk that changes in tax law (including goods and services taxes and stamp duties), or changes in the way tax laws are interpreted in the various jurisdictions in which the DUET Group operates, may impact the tax liabilities of the DUET Group and its operating businesses.

DUET Group seeks to manage this risk by monitoring changes in legislation, utilising external tax and legal advisors and employing highly experienced and qualified accounting and tax experts within each operating business, who regularly monitor the taxation regulations and practices relevant to the company's operations.

2) Environmental Risk

Climate

Changes in weather patterns as a result of climate change could have an adverse effect on the DUET Group's operating businesses by increasing both capital and operating costs. Volumes carried on the networks may vary due to weather conditions (as well as due to other factors such as changes in industrial use, seasonality, general economic conditions and use of competing sources of energy).

DUET Group undertakes significant capital expenditure on its assets to minimise the impact of climate-related factors.

DUET Group also closely monitors the progress of new energy technology and environmental policies, with the aim to determine how our underlying companies can play a role in, and capture value from, any material environment-related and technology changes.

3) Social Sustainability Risks

Workplace Health and Safety Risk

Failure to implement effective workplace health and safety (WHS) and public safety procedures at DUET Group's operating businesses give rise to WHS and/or public safety which in turn may create reputational or regulatory risk.

DUET Group manages these risks by developing appropriate WHS policies, training and reporting in accordance with the required legislation. Furthermore, the operating businesses employ WHS expertise to ensure dedicated resources are available to manage these risks.

Senior management regularly visit the operating businesses to further monitor WHS and public safety initiatives.

Principle 8: Remunerate fairly and responsibly

DUET follows all of the recommendations of Principle 8

Recommendation 8.1 - Remuneration committee

Each of DUECo, DIHL and DFL have appointed a Remuneration Committee which follows the recommendation.

The members of the Remuneration Committees as at September 2015 are:

DUECo and DIHL	Meetings attended ¹	DFL	Meetings attended ²
Shirley In't Veld (chair)	13	Terri Benson (chair) ³	12
Doug Halley	14	Eric Goodwin	14
Emma Stein	12	Jane Harvey	12

Simon Perrott	Nil ³		
---------------	------------------	--	--

¹ DIHL and DUECo held 6 Remuneration Committee meetings during financial year ended 30 June 2015

² DFL held 2 Remuneration Committee meeting during financial year ended 30 June 2015

³ Simon Perrott joined the Committee on 1 July 2015 and therefore did not attend any Committee meetings during financial year ended 30 June 2015.

The qualifications of the members of each Remuneration Committee can be found on the DUET website and in the Annual Report.

The Remuneration Committees have responsibility for providing advice and recommendations to the Board on independent director remuneration and review policies. Senior executive remuneration is considered by the DIHL Remuneration Committee (which is the employing entity in the DUET Group). The DIHL Remuneration Committee also provides advice and recommendations to the Board on:

- the company's overall remuneration policy
- incentive, retention and termination policies;
- superannuation arrangements
- recruitment, succession and development programs
- performance review procedures.

Recommendation 8.2 and 8.3 – Remuneration practice

Below is a brief description of remuneration arrangements in relation to DUET staff and also the fees paid to DUET external directors. Full details and a discussion of DUET remuneration arrangements, alignment of interest staff incentives are set out in the annual Remuneration Report available on the DUET website.

Staff remuneration

DUET staff, including the CEO and CFO, are employed by DIHL and made available to the other DUET entities under an internal Resources Agreement.

DUET's remuneration system has been designed to balance risk and return that aligns the interests of the management team and DUET securityholders. All staff are entitled to short term incentives of up to specified percentages of their base remuneration package, subject to the achievement of certain qualitative and quantitative targets. The CEO and CFO are also eligible to participate in a long term incentive scheme with performance based hurdles based on distribution growth and total securityholder return relative to the ASX 200 Industrial accumulation index over three years to align their interests with securityholders. The long term incentives, and for FY2015, the retained portion of any short term incentives, are notionally invested in DUET securities so that the amount varies as if they were actually invested in the securities although any payment remains subject to satisfaction of the performance hurdles over the three year period.

The DUET Securities (Windows) Trading Policy does not allow executives to enter into margin loans or derivatives which limit the economic risk of participating in the long term incentive scheme.

Further, DUET has a clawback policy which gives the Board the ability to clawback unvested short term incentives in the event of a material financial misstatement or gross misconduct.

This overall approach to remuneration is considered appropriate as the incentive schemes reward performance, and performance-based remuneration is aligned with securityholders' interests.

DUET holds its investments in its businesses through equity interests in special purpose project vehicles. Most of these vehicles have their own internal management paid for at the business level. Where DUET staff are required to serve as directors on the boards of these vehicles, or are seconded to them from time to time, any fees paid in respect of these arrangements are paid to DUET.

Director remuneration

The director fees paid are set out in the Remuneration Report and include a set base fee and fees for serving on, or chairing, committees.

None of the DUECo, DIHL or DFL directors are entitled to DUET options or securities or to retirement benefits as part of their remuneration package.

Management arrangements summary DUET's structure

The DUET Group's corporate structure as at 30 June 2014 is shown below.

Note: Structure is in summary form with interposed entities not shown

The responsible entity for the Trust is DFL.

The Trust is an ASIC-registered managed investment scheme and its combined trustee/manager, DFL, is known as the responsible entity. DFL's management role is defined by the Trust constitution, the Corporations Act and the general law.

DUECo, DIHL and DFL do not have a manager and are responsible for their own respective operations. DIHL is the employer of all staff that provide services for the DUET Group under a Resources Agreement. This Resources Agreement requires DIHL to provide resources (including staff, software, premises and equipment) to enable DFL to perform its necessary functions as responsible entity for the Trust and to comply with ASIC Regulatory Guide 166 *Licensing: Financial Requirements*.

The table below is a high level summary of the DUET Group management arrangements addressing the disclosure recommended in Guidance Note 26 to the ASX Listing Rules and ASIC Regulatory Guide 231 *Infrastructure entities: Improving disclosure for retail investors (RG231)*.

It should be noted that entities responsible for the management arrangements are internal to the DUET Group and owned by DUET securityholders and not any third party. We recommend that you also read the Trust constitution and the full RG231 disclosure available on the DUET website (www.duet.net.au).
