This **Explanatory Memorandum** has been prepared to provide shareholders with material information to enable them to make an informed decision on the business to be conducted at the Annual General Meeting of the Company. Explanatory Memorandum

Explanatory Note Item 1 – Financial Statements and Reports

The Corporations Act requires that the Financial Report, Director's Report and Auditor's Report be tabled before the Annual General Meeting each year. There is no requirement either in the Corporations Act or the Company's Constitution for shareholders to vote on, approve or adopt these reports.

Shareholders will have a reasonable opportunity at the Annual General Meeting to ask the Chairperson questions and make comments on the business, operations and management of the Company. The auditor of the Company will also be available to take shareholders' questions and comments about the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

In addition to taking questions at the Annual General Meeting, written questions to the Company's auditor about the conduct of the audit of the Financial Report and the preparation and content of the Auditor's Report, may be submitted no later than the fifth business day before the day on which the Annual General Meeting is held (i.e. no later than 5:00 pm on 13 November 2015) to:

The Company Secretary
Level 20, 2 Market Street
Sydney, NSW, 2000
Australia
Email: rlutterbeck@macquarietelecom.com
Fax: +612 8221 7788

The Company will pass all written questions on to the auditor. The auditor will prepare and provide to the Company a question list which sets out the questions that the Company has passed on to the auditor and that the auditor considers to be relevant to the conduct of the audit of the Financial Report or the content of the Auditor's Report. Please note that a question may not be included in the question list if the question list includes a question that is substantially the same as that question or if it is not practicable to include the question in the question list because of the time when the question is passed on to the auditor.

There is no requirement for the auditor to provide written answers to the questions, however, if the auditor chooses to prepare written answers to any of the questions, the Chairperson may permit the auditor to table the written answers at the Annual General Meeting. The auditor will also answer questions asked at the Annual General Meeting however where questions concern issues raised in the written questions, the auditor may refer shareholders to the written answers (if any).

Explanatory Note Item 2 – Remuneration Report (Resolution 1)

The Corporations Act requires that the Remuneration Report be adopted at the Company's Annual General Meeting by a resolution. While there is a requirement for a formal resolution, the shareholders' vote is advisory only and does not bind the Company, nor will it require the Company to alter any arrangements detailed in the Remuneration Report should the resolution not be passed. However, the Directors will take the outcome of the vote into consideration when reviewing the remuneration policies and practices of the Company in the future.

The Remuneration Report is set out on pages 17 to 23 of the Company's 2015 Annual Report. The Remuneration Report explains the structure of, and policy behind, the Company's remuneration practices and the link between the remuneration of employees and the Company's performance. The Report also sets out remuneration details of each Director and for any specified executive of the Company.

Macquarie Telecom Group Limited

ACN 056 712 228

Explanatory Memorandum

Shareholders will have a reasonable opportunity at the Company's Annual General Meeting to ask questions and make comments on the Remuneration Report.

The Corporations Act was amended so that from 1 July 2011, if there are two consecutive Annual General Meetings of the Company held after 1 July 2011 and at each of those Annual General Meetings, at least 25% of votes cast are against the adoption of the Remuneration Report put before the Annual General Meeting (in accordance with section 250R of the Corporations Act), at the second Annual General Meeting there must be put to the vote a resolution (a "Spill Resolution") that a further meeting of the Company's shareholders be held within 90 days (a "Spill Meeting") at which the Directors of the Company, as at the time the resolution to make the director's report considered at the second Annual General Meeting was passed (but excluding the Managing Director) will cease to hold office immediately before the end of the Spill Meeting and resolutions will be put to the vote to appoint new Directors of the Company to fill those vacancies. This may include re-election of the Directors who held office immediately prior to the Spill Meeting.

At the last Annual General Meeting held on 21 November 2014, less than 25% of the votes cast were cast against the adoption of the Remuneration Report. Accordingly, there is no need for the Company to consider a Spill Resolution at this time.

The Directors recommend that shareholders vote in favour of Resolution 1.

Voting on Resolution 1 by proxy

Certain shareholders of the Company described below in the Voting Exclusion Statement cannot vote on Resolution 1. The Australian Securities and Investments Commission ("ASIC") identified some confusion prior to the last Annual General Meeting as to whether the Corporations Act permitted the chairperson of the annual general meeting, whose remuneration details are included in the remuneration report, to vote, as a proxy, undirected proxies on the adoption of the remuneration report. This was identified by ASIC in Information Sheet 144 and has now been clarified by the *Corporations Amendment (Proxy Voting) Act 2012*. As a result, the Chairperson of the Annual General Meeting who is a member of the Key Management Personnel or a closely related party of a Key Management Personnel, is able, as a proxy, to vote undirected proxies in the vote on Resolution 1 (adoption of the Remuneration Report) where the shareholder granting a proxy to the Chairperson provides express authorisation for the Chairperson to exercise the proxy and the shareholder is not themselves a member of the Key Management Personnel or a closely related party.

The Company's Proxy Form has been prepared on this basis and as such the Chairperson will vote undirected proxies and intends to vote such proxies in favour of Resolution 1.

Voting Exclusion Statement

In accordance with the Corporations Act, the Company will disregard any votes cast on Resolution 1 by a member of the Key Management Personnel of the Company whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member of the Key Management Personnel (each an "Excluded Shareholder").

"Key Management Personnel" of the Company includes those persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly, including any Director (whether executive or non-executive) of the Company.

A "Closely Related Party" to a member of the Key Management Personnel is a term defined in the Corporations Act and includes a member's spouse, child, spouse's child, dependent on the member or their spouse, a company the member controls, member's family who may be expected to influence, or be influenced by, the member in the members dealings with the Company.

Macquarie Telecom Group Limited

ACN 056 712 228

Explanatory Memorandum

However, the Company will not disregard a vote if:

- (a) it is cast by:
 - (i) an Excluded Shareholder (including the Chairperson) as a proxy for a shareholder who is entitled to vote, who has been appointed in writing and where that proxy appointment specifies how the proxy is to vote on the proposed resolution (i.e. a directed proxy); or
 - (ii) the Chairperson, as a proxy for a shareholder entitled to vote, appointed in writing by a shareholder who is entitled to vote, that does not specify how the proxy is to vote on the proposed resolution (i.e. undirected proxy), where that appointment as proxy expressly authorises the Chairperson to exercise the proxy; and
- (b) the vote is not cast on behalf of an Excluded Shareholder.

Item 3, Item 4 and Item 5 - Appointment of Directors

Rule 8.1(e)(1) of the Company's Constitution requires a Director (other than the Managing Director) who was appointed to fill a casual vacancy or as an addition to the board since the last Annual General Meeting, to retire from office as Director at the next Annual General Meeting. Such Director may offer themselves for re-election under Rule 8.1(h) of the Company's Constitution.

In accordance with ASX Listing Rule 14.4, a director must not hold an office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer. Under ASX Listing Rule 14.5, the Company is required to hold an election of directors each year.

Further, Rule 8.1(e)(2) of the Company's Constitution also requires one third of the directors (other than the Managing Director, or if there is more than one managing director, only one managing director) to retire from office at each annual general meeting, together with any director who has held office without re-election for three or more years.

The Directors of the Company, with Ms Darling abstaining, recommend that the shareholders vote in favour of re-electing Ms Darling as a Director of the Company.

The Chairperson of the Annual General Meeting intends to vote undirected proxies in favour of Ms Darling's re-election.

Explanatory Note Item 4 – Election of Director: Mr Peter James (Resolution 3)

Mr Peter James, who retires by rotation in accordance with Rule 8.1(e)(2) of the Company's Constitution and, being eligible, offers himself for re-election as a Director of the Company.
