Onthehouse appoints corporate advisor

Wednesday, 7 October 2015: In June, Onthehouse Holdings Limited (OTH) announced its intention to continue the development of its Consumer Online Division (COD) within an unlisted joint venture ownership structure.

The process of internal, legal separation is well advanced and discussions with external parties have commenced. Onthehouse is now taking the next step through the appointment of an external party to assist in the process.

The Company is pleased to announce the appointment of TMT Partners as its corporate adviser to manage this process and complete the proposed restructure

TMT Partners is a specialist corporate advisory firm, with a global reach, that focuses on the telecommunications, media, and technology sectors in Australia.

About Onthehouse Holdings Limited

Onthehouse Holdings Limited (ASX: OTH) is an ASX listed Australian online real estate content and services platform headquartered in Brisbane. The business divisions operated by the Company consist of:

The Consumer Online Division is a platform of publicly available real estate websites underpinned by the www.onthehouse.com.au website, providing free access to an extensive database of real estate content and property values on most properties in Australia, including traditional real estate online classified listings. The website is comparable to successful offerings in the US (Zillow) and UK (Zoopla) and has very quickly become the third largest online real estate platform in Australia, currently attracting more than 1.8 million unique visitors per month. The division also offers data and valuation related services for financial institutions utilising Onthehouse's extensive database.

The Real Estate Solutions Division provides tools for real estate agents, other property professionals and financial institutions. It provides an integrated platform for office administration, property sales and management applications, online advertising solutions and other business performance tools for real estate agents.
