MEDIA RELEASE

No: TP15/56

Friday, 16 October 2015

Affinity Education Group Limited - Orders

The Panel made a declaration of unacceptable circumstances on 5 October 2015 in relation to an application dated 26 August 2015 by Affinity Education Group Limited in relation to its affairs (see [TP15/42](#) and [TP15/52](#)).

The Panel considered (among other things) that:

- G8 had a relevant agreement and was associated with each of Taxonomy, West Bridge and JB Super
- as a result of acquisitions by Taxonomy and West Bridge, there were contraventions of section 606 (20% threshold) and section 671B (substantial holder notice disclosure) by G8, Taxonomy and West Bridge and
- G8 had not complied with section 636 (bidder's statement content requirements).

The Panel has now made orders (Annexure A) to the effect that:

- Affinity shares held by G8 representing those Affinity shares acquired from Taxonomy in excess of 20% of the total voting power in Affinity are to be sold by G8, in a process to be scrutinised by ASIC
- 'withdrawal' rights be offered to all Affinity shareholders (other than Taxonomy and JB Super) who accepted G8's scrip bid and
- G8 must provide disclosure by an announcement to the market, in a form approved by the Panel, in relation to the relevant agreements and associations found.

The determination of the proceedings brings to an end the interim orders dated 21 September 2015 (see [TP15/49](#)).

The sitting Panel was Geoff Brunsdon (Sitting President), Elizabeth Bryan AM and Karen Evans-Cullen.

The Panel will publish its reasons for the decision in due course on its website
www.takeovers.gov.au.
