ASX ANNOUNCEMENT

As advised in our full year results announcement on 12 August 2015 LandMark White Limited was well placed to continue growth. We indicated that staffing levels were already such that significant growth was already built in. The first 4 months performance in the 2016 financial year have proved this to be the case with revenue up nearly 19% on the previous corresponding period. Furthermore the increase in revenue has also shown up in the bottom line. It is now expected that the first half Profit Before Tax will be in the order of twice that for the previous corresponding half year period.
