Dear Frieda,

**REQUEST FOR TRADING HALT**

Elemental Minerals Ltd (the **Company**) requests that the securities of the Company be placed in trading halt for a total of two trading days to apply immediately, unless the Company requests that it be lifted prior to that time.

The trading halt is requested pending an announcement on a proposal received by the Company in relation to a material recapitalisation of the Company.

For the purposes of ASX Listing Rule 17.1, the Company provides the following information:

1. the trading halt is necessary, as otherwise trading in the Company's shares would continue on an uninformed basis;
2. the trading halt should be until the release of an announcement by the Company, expected to be no later than market open on Wednesday, 25 November 2015;
3. the Company is not aware of any reason why the trading halt should not be granted or of any other information necessary to inform the market about the trading halt.

Yours sincerely
