REX SIGNS DEED TO OPERATE WA ROUTES

Following Regional Express' (Rex) earlier announcement (13 November 2015) that it had been selected as preferred tenderer for the Perth – Albany and Perth – Esperance regulated routes tender issued by the Western Australian (WA) Department of Transport, Rex has today entered into a Deed with the WA Department of Transport to operate these two routes for a five-year licence period commencing 28 February 2016.

Rex will release flight schedules and further details in the coming days.
