3 Principal terms of the +securities (e.g. if options, exercise price and expiry date; if partly paid +securities, the amount outstanding and due dates for payment; if +convertible securities, the conversion price and dates for conversion)

Under the Company's Long-Term Incentive Plan, participants are granted performance rights to ordinary shares, subject to the Company meeting specified performance criteria during the performance period.

If these performance criteria are satisfied, ordinary shares will be issued following the end of the relevant performance period, namely:

- in respect of the 2013 Long- Term Incentive Offer, following 30 June 2016
- in respect of the 2014 Long- Term Incentive Offer, following 30 June 2017
- in respect of the 2015 Long- Term Incentive Offer, following 30 June 2018

The number of ordinary shares that a participant will ultimately receive will depend on the extent to which the performance criteria are met by the Company. If specified minimum performance criteria are not met no ordinary shares will be issued in respect of the performance rights.
