Review Report to the Members of Asaplus Resources Limited

**Introduction** 

We have reviewed the accompanying consolidated statement of financial position of Asaplus

Resources Limited ("the Company") and its subsidiaries ("the Group") as at 30 September 2015, and

the related statements of consolidated comprehensive income, consolidated changes in equity and

consolidated cash flows for the six months period then ended, and selected explanatory notes.

Management is responsible for the preparation and fair presentation of this consolidated interim

financial information in accordance with the provisions of the International Financial Reporting

Standards. Our responsibility is to express a conclusion on this consolidated interim financial

information based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements

2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A

review of interim financial information consists of making inquiries, primarily of persons responsible for

financial and accounting matters, and applying analytical and other review procedures. A review is

substantially less in scope than an audit conducted in accordance with International Standards on

Auditing and consequently does not enable us to obtain assurance that we would become aware of all

significant matters that might be identified in an audit. Accordingly, we do not express an audit

opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the

accompanying consolidated interim financial information does not present fairly, in all material
