

Investa Office Fund (ASX: IOF)

IOF and DEXUS enter into Implementation Agreement

Investa Listed Funds Management Limited (**ILFML**), as Responsible Entity of the Investa Office Fund (ASX: IOF), refers to its announcement dated 7 December 2015 in relation to an indicative, conditional and non-binding proposal from DEXUS Property Group (ASX: DXS) (**DEXUS**) to acquire all of the units in IOF.

ILFML today announces that following completion of due diligence by ILFML and DEXUS under the Process Deed, ILFML and DEXUS have entered into a binding Implementation Agreement (**Agreement**) in relation to a proposed trust scheme pursuant to which DEXUS would acquire all of the units in IOF (**Proposal**).

Proposal overview

If the Proposal is implemented, IOF unitholders will receive Standard Consideration of \$0.8229 in cash and 0.424 DEXUS securities for each IOF unit. The cash component has been determined having regard to the 10 day VWAP of DEXUS securities prior to the announcement of the Process Deed on 7 December 2015 which implied an offer value of \$4.1147 per IOF unit.

IOF unitholders will have the option to elect to receive the consideration under the Proposal in the following ways:

- Standard Consideration: \$0.8229 cash and 0.424 DEXUS securities per IOF unit;
- Maximum Cash Consideration: \$4.1147 per IOF unit subject to any scale back to ensure the maximum cash consideration paid is approximately \$505 million;
- Maximum Scrip Consideration: 0.53 securities in DEXUS¹ per IOF unit, subject to any scale back to ensure the maximum number of DEXUS securities issued is approximately 260.4 million.

In the event an IOF unitholder elects Maximum Cash Consideration or Maximum Scrip Consideration but is scaled back as set out above, the balance of the consideration would be provided in scrip or cash, respectively.

As permitted under the Agreement, IOF unitholders will receive the announced distribution for the six months ending 31 December 2015 of 9.8 cents per IOF unit. If the Proposal is implemented, this will be the final distribution paid by IOF to IOF unitholders.

DEXUS securities issued to IOF unitholders under the Proposal will rank equally with all other DEXUS securities and therefore will have full entitlement to the DEXUS distribution for the six month period ending 30 June 2016 and subsequent distribution periods.

Benefits to IOF unitholders

The implied offer value of \$4.1147 represents a:

- 10.6% premium to the IOF closing price on 13 August 2015 of \$3.72, being the day prior to the announcement of the IOF strategic review;
- 7.4% premium to the IOF closing price on 4 December 2015 of \$3.83, being the day prior to the announcement that IOF had entered into the Process Deed with DEXUS in relation to the Proposal;
- 5.2% premium to the IOF pro-forma NTA of \$3.91²

¹ As set out in the Agreement the number of DEXUS securities to be issued under the Maximum Scrip Consideration will be equivalent to \$4.1147 per IOF unit assuming a DEXUS price per security on implementation based on the DEXUS 10-day VWAP to 4 December 2015, subject to the scale back parameters noted above.

² Unaudited management estimate as per the 30 November 2015 ASX release titled 'Portfolio valuation update' which indicated around 8% increase in 30 June 2015 NTA.

If implemented, the Proposal is expected to deliver annualised FY16 FFO accretion of at least 15% to IOF unitholders³.

The combined IOF and DEXUS group would have a total of \$24.1 billion of assets under management, \$17.5 billion of which would comprise office properties⁴. The office portfolios are highly complementary, retaining a focus on Sydney and Melbourne CBDs. The combination would enhance asset and tenant diversification, provide improved flexibility and capacity to unlock development and repositioning opportunities, increase scope to action portfolio leasing strategies and exposure to improved margins. IOF unitholders who become securityholders in the combined group will share in these benefits.

Unanimous recommendation of the IBC

The members of the Independent Board Committee (**IBC**) have unanimously resolved that they intend to recommend that IOF unitholders vote in favour of the Proposal in the absence of a superior proposal and subject to the Independent Expert finding the Proposal to be in the best interests of IOF unitholders.

Deborah Page AM, Independent Chair of ILFML, said: "After exploring a wide range of alternatives to maximise IOF unitholder value, the IBC is pleased to be able to announce the entry into the binding Implementation Agreement with DEXUS which results in an attractive value proposition for IOF unitholders."

Mrs Page added: "The IBC recognises the sustained period of uncertainty that has been experienced by IOF stakeholders due to events outside of the control of ILFML. During this period, the IBC has appreciated the continued commitment of the Investa management team in providing a high quality of service to the IOF portfolio and the support of IOF unitholders during the strategic review."

The IBC is being advised by Macquarie Capital (Australia), Fort Street Advisers and Herbert Smith Freehills.

Conditions and indicative timetable

The Proposal is expected to be implemented by the end of April 2016, however, it is conditional on a number of matters set out in the Agreement.

The Agreement includes provisions customary for a transaction of this nature, including exclusivity arrangements and provisions for payment of a break fee of \$23.52 million to DEXUS in certain circumstances.

It is expected that IOF unitholders will receive the explanatory memorandum for the Proposal in mid March which will include a more detailed explanation of the Proposal, along with a copy of an Independent Expert's report.

A meeting of IOF unitholders (**Meeting**) is expected to be held in early April to consider the Proposal, with implementation scheduled to occur by the end of April 2016.

In order for the Proposal to be implemented, IOF unitholders eligible to vote representing at least 75% of the units voted at the Meeting (in person or by proxy) must be in favour of the Proposal.

An indicative timetable for the Proposal is set out below and a copy of the Agreement is attached.

³ Based on the midpoint of DEXUS guidance and IOF guidance for FY16 FFO.

⁴ Based on the DEXUS property portfolio as at 30 June 2015 adjusted for announced valuations, transactions, development and capital spend; the IOF property portfolio as at 30 November 2015; and the impact of the Proposal.

- (g) The Bidder will determine, in its sole discretion, all questions as to the correct completion of an Election Form, and time of receipt of an Election Form. - (h) Notwithstanding clause 4.3(b), the Bidder may, in its sole discretion, at any time and without further communication to Target Securityholder, deem any Election Form that has been received from a Target Securityholder to be a valid election in respect of the relevant Target Securities, even if a requirement for a valid election has not been complied with.

4.4 Standard Consideration if election not made

If a valid election is not made by a Target Securityholder or no election is made by a Target Securityholder, then that Target Securityholder will be deemed to have elected to receive Standard Consideration in respect of all of their Target Securities.

If a Proposal Participant makes a Maximum Cash Election, the Proposal Participant will be entitled to receive for each Target Security held by that Proposal Participant at the Record Date:

Y = the DEXUS Reference Price of a DEXUS Property Group Security.

- (c) For the purpose of this clause 4.5, the Available Cash Consideration is required to be pro-rated amongst the Proposal Participants who make a Maximum Cash Election if the amount determined by multiplying the Implied Announcement Value by the total number of Target Securities held by all Proposal Participants making a Maximum Cash Election exceeds the Available Cash Consideration.

4.6 Maximum Scrip Consideration

- (ii) an amount of cash per Target Security calculated as follows:

$$\text{Implied Announcement Value} - (X \times Y)$$

Where:

X = the number of DEXUS Property Group Securities per Target Security determined in accordance with clause 4.6(b)(i)(A); and

Y = the DEXUS Reference Price of a DEXUS Property Group Security.

- (c) For the purpose of this clause, the Available Scrip Consideration is required to be pro-rated amongst Proposal Participants who make a

Maximum Scrip Election if the number of DEXUS Property Group Securities determined by multiplying the Scrip Equivalent of the Implied Offer Number by the total number of Target Securities held by all Proposal Participants who make a Maximum Scrip Election exceeds the Available Scrip Consideration.

4.7 Joint holders

In the case of Target Securities held in joint names:

- (a) any amount comprising the cash component of the Proposal Consideration payable in respect of those Target Securities is payable to the joint holders and any cheque required to be sent under the Proposal will be made payable to the joint holders and sent to either, at the sole discretion of the Target RE, the holder whose name appears first in the Register as at the Record Date or to the joint holders;

- (b) The limitation in clause 4.10(a) will not apply to the extent that a greater total amount of cash or total number of DEXUS Property Group Securities than the Total Proposal Consideration would be required to be provided by the Bidder under the Proposal due to any rounding applied in the application of the formulae contained in the definitions of DEXUS Reference Price, Implied Announcement Value or Scrip Equivalent of the Implied Offer Number or in accordance with clause 4.15 and the requirement (or requirements) for provision of Proposal Consideration will be increased (in such manner as the Bidder and the Target RE consider equitable) to take account of such issues.

4.11 Recognising dealings in Target Securities

For the purposes of the Proposal, Target RE must recognise only the following dealings in Target Securities:

- (a) for dealings of the type effected using CHES – dealings where the transferee is registered in the Register as the holder of the relevant Target Securities by the Record Date; and
- (b) for other types of dealings – dealings:
 - (i) that occurred before the close of business on the Trading Cessation Date; and

Target RE must:

- (a) register any transmission applications or transfers which comply with and are received in accordance with clause 4.12(b) before, or as soon as practicable after, the Record Date; and

4.15 Fractional entitlements

- (a) If the number of Target Securities held by a Proposal Participant means that their aggregate entitlement to DEXUS Property Group Securities is not a whole number, that fractional entitlement will be rounded down to zero DEXUS Property Group Securities.
- (b) If the Bidder and Target RE are of the opinion (acting reasonably) that two or more Proposal Participants (each of whom holds a number of Target Securities which results in rounding in accordance with clause 4.15(a)) have, before the Record Date, been party to security splitting or division in an attempt to obtain unfair advantage by reference to such rounding, Target RE may give notice to those Proposal Participants:
 - (i) setting out their names and registered addresses as shown in the Register;
 - (ii) stating that opinion; and
 - (iii) attributing to one of them specifically identified in the notice the Target Securities held by all of them,

Target RE, in complying with the provisions of this agreement relating to it in respect of the Proposal Participant specifically identified in the notice as the deemed holder of all the specified Target Securities, will be taken to have satisfied and discharged its obligations to the other Proposal Participants named in the notice.

- (c) Where the calculation of the Proposal Consideration to be provided to a particular Proposal Participant would result in the Proposal Participant becoming entitled to a fraction of a cent, the fractional entitlement will be rounded down to the nearest whole cent.

4.16 New DEXUS Property Group Securities

The Bidder covenants in favour of Target RE (in its own right and on behalf of each Proposal Participant) that:

- (d) communicate to any person an intention to do anything referred to in the preceding paragraphs of this clause 11.3,

11.4 No-talk – Internalisation Proposal, Responsible Entity Acquisition or Management Platform Proposal

During the Exclusivity Period, Target RE must not, and must ensure that its Representatives do not, directly or indirectly:

- (a) participate in or continue any negotiations or discussions with respect to any inquiry, expression of interest, offer, proposal or discussion by any person to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Transaction (as that is defined in part (a) of the definition of Competing Transaction) or participate in or continue any negotiations or discussions with respect to any actual, proposed or potential Competing Transaction;
- (b) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding an

- (c) disclose or otherwise provide any material non-public information about the business or affairs of the Target to a Third Party (other than a Government Agency) with a view to obtaining, or which would reasonably be expected to encourage or lead to receipt of, an actual, proposed or potential Competing Transaction (as that is defined in part (a) of the definition of Competing Transaction) (including, without limitation, providing such information for the purposes of the conduct of due diligence investigations in respect of the Target); or
- (d) communicate to any person an intention to do anything referred to in the preceding paragraphs of this clause 11.4,

but nothing in this clause 11.4 prevents Target RE from making normal presentations to brokers, portfolio investors and analysts in the ordinary course of business or promoting the merits of the Proposal.

Provided that Target RE has complied with clause 11.4, despite any other provision in this agreement, a change in ownership (either directly or indirectly) of the responsible entity of the Target or the 'Management Platform' (as that term is described on page 90 of the Target's Financial Report for the financial year ended 30 June 2015) and any consequences that arise as a result (whether direct or indirect) will not result in a breach of this agreement by the Target RE or constitute a Target Material Adverse Change.

11.5 Notification of Competing Transaction

- (a) Subject to clause 11.9, during the Exclusivity Period, Target RE must as soon as possible notify Bidder in writing if it, or any of its Representatives, becomes aware of any:
 - (i) negotiations or discussions, approach or attempt to initiate any negotiations or discussions, or intention to make such an approach or attempt to initiate any negotiations or discussions in respect of any inquiry, expression of interest, offer, proposal or discussion in relation to an actual, proposed or potential Competing Transaction; or
 - (ii) proposal made to Target RE or any of its Representatives, in connection with, or in respect of any exploration or completion of, an actual, proposed or potential Competing Transaction, or
 - (iii) provision by Target RE or any of its Representatives of any non-public information concerning the business or operations of Target RE or Target to a Third Party (other than a Government Agency) in connection with an actual, proposed or potential Competing Transaction,

whether direct or indirect, solicited or unsolicited, and in writing or otherwise. For the avoidance of doubt, any of the acts described in paragraphs (A) to (C) may only be taken by Target RE if not otherwise proscribed by this agreement.

- (b) A notification given under clause 11.5(a) must include (1) the identity of the relevant person making or proposing the relevant actual, proposed or potential Competing Transaction; and (2) all material terms and conditions (including details as to value) of the actual, proposed or potential Competing Transaction.

11.6 Bidder opportunity to match

If Target RE or any of its Representatives receives:

- (a) an unsolicited approach with respect to a Competing Transaction which the Target RE Independent Directors believe is a Superior Proposal; or
- (b) an unsolicited approach with respect to a Competing Transaction for the purposes of paragraph (a) of the definition of Competing Transaction which the Target RE Independent Directors believe it should recommend that Target Securityholders approve or Target RE takes any steps to implement a Competing Transaction for the purposes of paragraph (a) of the definition of Competing Transaction,

during the Exclusivity Period, the Bidder may (in its sole discretion) either itself match, or procure a Controlled Entity of the Bidder to match, that Competing Transaction by giving written notice to Target RE of the offer by the date which falls 3 Business Days after the notification under clause 11.5(a) or if no notification is given under clause 11.5(a), the end of the Exclusivity Period.

11.7 Meeting to be held

If the Explanatory Memorandum in respect of the Proposal has been sent to Target Shareholders before the expiry of the 3 Business Day period set forth in clause 11.6 then, during that period, unless the Bidder requests in writing that the Meeting not proceed, Target RE must continue to take all steps reasonably necessary to hold the Meeting and to cause the Proposal to be voted on at the Meeting.

11.8 Postponement of Meeting

Where at any time before the Meeting:

- (a) a Competing Transaction has been publicly disclosed or announced; and
- (b) the 3 Business Day period under clause 11.6 has not elapsed;

then, at the Bidder's request, Target RE will:

- (c) postpone or adjourn the Meeting at the Meeting (but will not do so beforehand without the Bidder's consent) to a date acceptable to the Bidder, acting reasonably; and
- (d) if the Bidder and Target RE amend the terms of this agreement pursuant to clause 4.17, ensure that the details of the amended agreement are communicated to Target Securityholders prior to the resumption of the adjourned Meeting; and

Target RE and the Bidder acknowledge and agree that each successive Competing Transaction or modification thereof will constitute a new Competing Transaction for the purposes of the operation of this clause 11.8.

11.9 Exceptions

Clauses 11.3, 11.4 and 11.5 do not prohibit any action or inaction by Target RE or any of its Representatives in relation to an actual, proposed or potential Competing Transaction if compliance with that clause would, in the opinion of the the Target RE Independent Directors, formed in good faith, constitute, or would be likely to constitute, a breach of any of the fiduciary or statutory duties of the directors of the Target RE, provided that the actual, proposed or potential Competing Transaction was not directly or indirectly brought about by, or facilitated by, a breach of clause 11.2. This exception does not apply to clause 11.5(a) in relation to the information set out in clause 11.5(b)(2).

11.10 Equal access to information

Subject to confidentiality restrictions that may apply (and if such restrictions do apply, Target RE must use reasonable endeavours to have the relevant restrictions removed), if Target RE provides any information relating to Target RE or any of its business or operations to any person in connection with or for the purposes of a current or future Competing Transaction, the Target RE must promptly provide the Bidder with access to, or a copy of, that information.

11.11 Compliance with law

(a) If it is finally determined by a court, or the Takeovers Panel, that the agreement by the parties under this clause 11 or any part of it:

- (i) constituted, or constitutes, or would constitute, a breach of the fiduciary or statutory duties of the Target RE board;
- (ii) constituted, or constitutes, or would constitute, 'unacceptable circumstances' within the meaning of the Corporations Act; or
- (iii) was, or is, or would be, unlawful for any other reason,

then, to that extent (and only to that extent) Target RE will not be obliged to comply with that provision of clause 11.

(b) The parties must not make or cause or permit to be made, any application to a court or the Takeovers Panel for or in relation to a determination referred to in this clause 11.11.

11.12 Legal advice

The Target RE acknowledges that it has received legal advice on this agreement and the operation of this clause 11.

12 Reimbursement of costs

12.1 Background

This clause 12 has been agreed in circumstances where:

- (a) the Target RE believes that the Proposal will provide significant benefits to Target and the Target Securityholders, and the Target RE acknowledges that, if it enters into this agreement and the Proposal is subsequently not implemented the Bidder will incur significant costs;
- (b) the Bidder requested that provision be made for the payments outlined in clause 12.2, without which the Bidder would not have entered into this agreement; and
- (c) Target RE has received legal advice on this agreement and the operation of this clause 12.

12.2 Payment by the Target RE to Bidder

- (a) Subject to clause 12.2(b) the Target RE must pay to the Bidder \$23.52 million if any of the following events occur:
 - (i) any of the Target RE Independent Directors recommend a Competing Transaction, do not recommend or cease recommending the Proposal or take material steps that would be required to implement a Competing Transaction that is an Internalisation Proposal including entering into an implementation agreement or convening a meeting (unless, in the case of a failure, cessation or change in recommendation, the Independent Expert concludes in the Independent Expert's Report that the Proposal is not in the best interests of Target Securityholders except in circumstances where the Independent Expert reaches that conclusion as a result of a Competing Transaction having been announced or made public);
 - (ii) a Competing Transaction substantially completes within the period from the date of this agreement to the date that falls six months after the End Date provided that in the case of an Internalisation Proposal, it substantially completes within the period that is 3 months from the earlier of the date of the vote of Target Securityholders on the Proposal or the End Date; or
 - (iii) this agreement is terminated because Target RE is in material breach of its terms.
- (b) However, the fee in clause 12.2(a) will not be payable in circumstances where any of the following apply:
 - (i) the Competing Transaction is a potential Internalisation Proposal, Responsible Entity Acquisition or Management Platform Proposal ("**Management Proposal**") that is notified to Bidder pursuant to the Process Deed prior to the termination of the Process Deed (noting that, for the avoidance of doubt a

Competing Transaction that is notified prior to the termination of the Process Deed under clause 5 that is materially varied after it is notified or that is otherwise rejected by the Target RE but reconsidered by it is taken to be a new proposal); or

- (ii) the Competing Transaction is a Management Proposal that is not an Internalisation Proposal in circumstances in which the Target RE Independent Directors have neither recommended that Target Securityholders approve the Management Proposal nor taken any steps to implement the Management Proposal.
- (c) Despite any other provision of this agreement, the fee in clause 12.2(a) will not be payable (and to the extent that it has been paid, will be refunded):
- (i) if the Proposal is implemented, notwithstanding that any of the directors of Target RE recommend a Competing Transaction;
 - (ii) if at the earlier of the date this agreement terminates and the End Date, Target RE is entitled to terminate this agreement in circumstances in which Bidder is in material breach of it; or
 - (iii) merely by reason that the Proposal is not approved by Target Securityholders at the Meeting.

12.3 Timing of payment

The Target RE must pay the Bidder the amount referred to in clause 12.2 within 20 Business Days of receipt by the Target RE of a demand for payment from the Bidder. The demand may only be made after the occurrence of an event referred to in clauses 12.2.

12.4 Target RE's limitation of liability

Notwithstanding any other provision of this agreement but subject to clauses 4.2 and 12.5, a payment by the Target RE in accordance with clause 12.2 represents the sole and absolute liability of the Target RE and is the sole remedy under or in connection with this agreement (other than the payment of any interest that may be awarded for the late payment by the Target RE or any remedy that takes the form of an order to comply with this agreement or that prohibits an action that would or may breach this agreement) and no further damages, fees, expenses or reimbursements of any kind will be payable by the Target RE in connection with this agreement.

12.5 Compliance with law

- (a) Subject to clause (f), if a court, arbitral tribunal or the Takeovers Panel determines that any part of the agreement by a party under this clause 12:
 - (i) constitutes, or would if performed constitute, a breach of the fiduciary or statutory duties of that party's board to that party; or

- (ii) constitutes, or would, if performed constitute, unacceptable circumstances within the meaning of the Corporations Act; or
- (iii) is, or would, if performed be, unlawful for any other reason,

then, provided that that party has complied with its other obligations under this clause 12, that party will not be obliged to comply with that part of the agreement (but will be obliged to comply with all other parts of the agreement);

- (b) Subject to clause (f), if the Takeovers Panel or a court makes a determination contemplated by clause 12.5(a), in respect of all or any part of a payment made under this clause 12, the party who received the payment must immediately refund all or any applicable part of it;
- (c) Subject to clause (f), if in Takeovers Panel proceedings, the Takeovers Panel indicates to the Bidder or the Target RE that in the absence of a written undertaking pursuant to section 201A of the Australian Securities and Investments Commission Act 2001 it will make a declaration of unacceptable circumstances, the Bidder and the Target RE (as the case may be) may give that undertaking on their own behalf and must give reasonable consideration to giving that undertaking if requested by another party. Where undertakings are given, this clause 12 will operate in a manner consistent with the terms of those undertakings;
- (d) Subject to clause (f), no party must make, nor may it cause or permit to be made, any application to a court, arbitral tribunal or the Takeovers Panel for or in relation to a determination referred to in clause 12.5(a);

- (f) Nothing in this clause 12.5 precludes any party from bringing or requires any party to bring appeal or review proceedings in relation to any determination referred to in clause 12.5(a). If any party brings appeal or review proceedings:
 - (i) the other parties must make submissions in the course of those proceedings supporting to the fullest extent reasonably practicable the appeal or review application made by the first party; and
 - (ii) for the purposes of this clause 12.5 the determination the subject of the appeal or review proceeding will be deemed not to have been made and clauses 12.5(a), (b) and (c) will have effect only in relation to any determination made in the appeal or review proceedings.
