### **RAMSAY GENERALE DE SANTE ACQUIRES HPM GROUP IN LILLE, FRANCE**

Ramsay Générale de Santé has announced that following regulatory approval for the acquisition of the HPM Group, consisting of 9 hospitals in Lille France, completion of the acquisition has now occurred.

With this acquisition, Ramsay Générale de Santé's expanded presence in the greater Lille area will now comprise 11 facilities with 2,180 employees, 700 doctors and is expected to treat approximately 160,00 patients per annum.

The purchase price was an enterprise value of €169.5 million, the consideration being a combination of Ramsay Générale de Santé's cash on hand, draw-down of its debt facilities and the assumption of HPM Group's external debt.

The HPM Group will be fully integrated into the Ramsay Générale de Santé Group.
