

## Analyst Reports on Immuron IMM-529 *C. difficile* Program

**14 January 2015, Melbourne, Australia:** Immuron Limited (ASX:IMC) wishes to advise investors and shareholders that RedChip Companies Inc. (RedChip), a company Immuron engaged for the provision of certain US investor relations services, has released a research report specifically highlighting the recent IMM-529 results from the Company's *C. difficile* recurrence studies.

Two other US-based companies with *C. difficile* Phase II clinical trials have market capitalisations more than 5 times that of Immuron's market capitalisation.

This *C. difficile* program adds further value to Immuron's existing product portfolio of two over-the-counter consumer products (Travelan and Protectyn), and its NASH and ASH Phase IIb Clinical Trials.

A copy of the RedChip's research update will be made available on the Immuron Company website at: <http://immuron.com/investor-centre/analyst-reports/>.
