

January 2016

## Monthly Drilling Report

**Release Date:** 03 February 2016

In line with the previously announced reduced capital expenditure program, Senex Energy Limited (ASX:SXY) did not spud any wells during January. The Company will continue to monitor the oil pricing outlook and prioritise investment opportunities that meet strict economic criteria, including further drilling prospects.

A further market update will be provided at the release of the 2016 half year results on 23 February 2016.
