EXPLANATORY STATEMENT

A. INTRODUCTION

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions. This Explanatory Statement should be read in conjunction with the Notice and forms part of the Notice.

B. BUSINESS OF THE MEETING - SUMMARY

To consider and vote on the following resolutions:

Resolution 1 - Disposal of AG Capital

Resolution 2 - Change of Name

Resolution 3 - Ratification of Prior Share Issue

Resolution 4 – Approval for Issue of Shares - New Placement

The Directors recommend that you vote in favour of all Resolutions at this Meeting.

C. RESOLUTIONS

1. Resolution 1 – Disposal of AG Capital

Resolution 1 of the Meeting seeks Shareholder approval for the sale by the Company of the entire issued and paid up share capital of AG Capital to Longhou on the terms set out in the Share Sale Deed and as summarised in this Explanatory Statement.

1.1 The Law – Listing Rule 11.2

Listing Rule 11 requires that shareholder approval be obtained if an entity proposes to make a significant change to the nature or scale of its activities and the significant change involves the entity disposing of its main undertaking.

Listing Rule 11.2 provides that a company may not dispose of its main undertaking (that is, its main asset or business) without the approval of its shareholders.

Listing Rule 11.2 is relevant as the Sale constitutes the Company disposing of its main undertaking, being the entire share capital of AG Capital. Accordingly, Resolution 1 seeks Shareholder approval for the purposes of Listing Rule 11.2 for the proposed Sale.

The Sale requires the approval by way of an ordinary resolution of Shareholders.

As Longhou is not a related party of the Company, shareholder approval for the Sale is not required for the purposes of Listing Rule 10.1.

1.2 Reason for sale of AG Capital

The Directors believe that, following an assessment of the advantages and disadvantages disclosed below, the Sale is in the best interests of the Company. In this regard the Board considers that the advantages of the Sale outweigh the disadvantages.

On 23 December 2015, the Company made an ASX announcement relating to its signing of a binding term sheet to sell its entire shareholding in AG Capital for total cash consideration of \$1.0 million. Subsequently on 9 February 2016, the Company

entered into the Share Sale Deed to effect the Sale. This Explanatory Statement sets out the key terms of the Share Sale Deed.

The Directors are of the view that Completion of the Sale will allow the Company to focus more on providing investment banking activities such as advising on cross border mergers and acquisitions, initial public offerings, capital raising (equity/debt/hybrid), underwriting, private equity investments and managed investment schemes, especially involving cross border activities between Australia and Asia.

1.3 Potential advantages of the sale of AG Capital

The potential advantages to Shareholders of approving Resolution 1 are:

- (a) The Sale will enable AG Financial to shift its focus from stockbroking activities which are considered to be highly competitive, low growth and low margin, to investment banking activities (such as corporate advisory, underwriting, equity/debt capital markets) which are considered higher margin with more prospects for growth. According to IBISWorld, Investment Banking and Securities Brokerage industry revenue is forecast to grow at 5.9% pa in the five years to 2021, with much of this growth expected to come from investment banking (driven by mergers and acquisitions and capital raising activities) rather than stockbroking services.
- (b) Since completion of the acquisition of AG Capital in September 2014, AG Financial's share price has fallen from \$0.05 \$0.06 levels to \$0.004 as at 3 March 2016. The market for AG Financial's Shares is also currently illiquid and the ability of Shareholders to crystallise their investment is limited. A change in strategic direction and new business prospects may improve sentiment towards its Shares, create new interest towards the Company from the investment community and lead to a Share price re-rating and improved liquidity over time.
- (c) An investment banking based business model better leverages off AG Financial's new Board members' skills and experience in corporate advisory and cross-border mergers and acquisitions, as well as their corporate relationships and networks in Asia and Australia.
- (d) With \$1 million in cash proceeds from the Sale (subject to adjustments), AG Financial would be able retire all its debts and put it in a stronger financial position to grow the new business model. In addition, it will also be in a stronger position to consider and take advantage of business and acquisition opportunities which have greater prospects of delivering Shareholders' returns.

1.4 Potential Disadvantages of the sale of AG Capital

The potential disadvantages of Shareholders approving Resolution 1 are:

- (a) The Company will no longer have an interest in AG Capital, its current main undertaking.
- (b) The Company will be changing the scale of its activities by a significant extent through the disposal of its major asset, which may not be consistent with the investment objectives of all Shareholders.

- (c) Following completion of the Sale, AG Financial will be without an established, profitable core business. However, the Company anticipates that it will be able to commence its investment banking activities within 3 months from the completion of the Sale as it is actively pitching for new corporate advisory work.
- (d) The Sale may affect the Company's ability to remain listed on the ASX as it may no longer meet the ongoing listing requirements. As a result of the Sale, the size of the Company's asset base and operating activities will reduce significantly.
- (e) The Company will continue to incur various costs (including listing costs) and such costs may ultimately result in a further reduction in value to Shareholders. However, the Board is actively restructuring the activities of the Group to remove excesses and costs which resulted in losses to the Company in prior years. Without the restructuring, while the Company's asset base may become non income generating and the majority of operating costs will remain unchanged, it would contribute to further erosion of Shareholder value.
- (f) The Sale will result in the Company incurring a goodwill impairment charge of \$1.745 million in FY16. However this is a non-cash expense.

1.5 Overview of the Proposed Sale

Below is an overview of the Sale including the material terms of the Share Sale Deed.

(a) Share Sale Deed

On 9 February 2016, the Company entered into the Share Sale Deed to sell the entire share capital in AG Capital, being 101 ordinary fully paid shares (**Sale Shares**), to Longhou for \$1,000,000 (subject to adjustments).

- (b) Material terms of the Share Sale Deed
 - (i) (Consideration): The consideration for the Sale is \$1,000,000 cash, subject to adjustments. The adjustments are for:
 - (A) all periodical outgoings and expenses in respect of the business (for example, rent, insurance, electricity, gas and water expenses) apportioned as at the Completion Date; and
 - (B) the aggregate amounts in the Company's bank accounts as at the date of the Share Sale Deed less the AFSL Funds as at Completion.

The Consideration has been paid by Longhou into the Escrow Agent's trust account and will be released to the Company and/or Longhou in accordance with the Share Sale Deed.

- (ii) (Conditions Precedent): Completion will not proceed unless and until the following conditions are satisfied or waived in accordance with the Share Sale Deed:
 - (A) the Shareholders approve the Sale;

- (B) Longhou and the Company enter into the Escrow Deed;
- (C) during the period from the date of the Share Sale Deed up to completion date of the Sale, there has not been any material adverse change in respect of AG Capital, its business and its AFSL;
- (D) certain security interests granted by the Company and registered on the Personal Properties Security Register are discharged;
- (E) no material breach, or outstanding breach, of the conditions of the AFSL has occurred in the period from the date of the Share Sale Deed up to completion of the Sale;
- (F) AG Financial procures that:
 - (1) certain AG Capital debts are repaid; and
 - (2) all debts owing by the Company, its Related Bodies Corporate or a director of the Company (other than Chi Chung Tai, being the nominee director of Longhou) or its Related Bodies Corporate, have been repaid to AG Capital, unless the Company elects to apply the Consideration to make such payments on the Completion Date,

in full either before Completion, or immediately on Completion from the Consideration; and

(G) AG Capital and Ennox Capital (a wholly owned subsidiary of the Company) enter into an Authorised Representative Arrangement whereby AG Capital appoints Ennox Capital as an authorised representative under its AFSL.

(iii) Warranties

The Share Sale Deed contains standard warranties in respect of the Sale including, but not limited to, warranties relating to information provided, the Company, authorisations and AG Capital, including with respect to the Sale Shares, the assets owned by AG Capital, taxation, financial issues, employees, insurance, AFSL matters and intellectual property.

The Share Sale Deed also included qualifications and limitations of any claims for a breach of the warranties. The Directors are of the view that the qualifications and limitations are standard for a sale of shares such as the Sale.

(iv) Termination

The Share Sale Deed may be terminated:

(A) if a party is subject to an Insolvency Event (as defined in the Share Sale Deed);

- (B) by written agreement of the parties;
- (C) if a breach occurs and is not rectified; or
- (D) if the conditions are not fulfilled or waived by the Sunset Date of 30 April 2016.
- (v) Effect of Termination

If the Share Sale Deed is terminated:

- (A) where an Insolvency Event occurs and:
 - (1) Longhou is the party subject to the Insolvency Event, then the parties must direct the Escrow Agent to release:
 - \$250,000 of the Consideration to the Company; and
 - \$750,000 of the Consideration to Longhou; or
 - (2) the Company is the party subject to the Insolvency Event, then the parties must direct the Escrow Agent to release the Consideration to Longhou;
- (B) by the agreement by the parties or if the conditions are not fulfilled or waived by the Sunset Date, and:
 - (1) where the Shareholders do not approve the Sale for the purposes of Listing Rule 11.2, the parties must direct the Escrow Agent to release the Consideration to Longhou; or
 - (2) the Shareholders approve the Sale for the purposes of Listing Rule 11.2, the parties must direct the Escrow Agent to release:
 - \$250,000 of the Consideration to the Company; and
 - \$750,000 of the Consideration to Longhou; or
- (C) if a breach occurs and is not rectified, where the defaulting party is:
 - (1) the Company, the parties must direct the Escrow Agent to release the Consideration in full to Longhou; or
 - (2) Longhou, the parties must direct the Escrow Agent to release:
 - \$250,000 of the Consideration to the Company; and
 - \$750,000 of the Consideration to Longhou,

within five Business Days of termination and otherwise in accordance with the Escrow Deed.

(vi) Escrow Deed

The Company, Longhou and HWL Ebsworth Lawyers (as **Escrow Agent**) have also entered into an Escrow Deed under which the Consideration for the Sale (**Escrow Amount**) is held in escrow by the Escrow Agent.

Under the terms of the Escrow Deed, upon Completion the Escrow Agent will be required to release the Escrow Amount to the Company (subject to any adjustment or direction in accordance with the Share Sale Deed).

In the event the Share Sale Deed is terminated, the Escrow Agent will be directed to pay the Escrow Amount to the Company and/or Longhou in accordance to the terms of the Share Sale Deed.

1.6 Effect of the Sale on the Company

(a) Effect of the Sale on the Company's future earnings

The Sale may have a material effect on the Company's future potential earnings going forward as AG Capital has been the main source of Company revenue.

(b) Effect of the Sale on the Group's consolidated statement of financial position

As the Consideration offered by Longhou is 100% cash, implementation of the Sale will have no impact on existing Shareholders' voting and equity participation interests in the Company.

Implementation of the Sale will have a material impact on the composition and nature of the assets and liabilities of the Company.

An unaudited pro-forma consolidated statement of financial position is set out in Schedule 1 to demonstrate the financial position of the Company post Completion.

The consolidated statement of financial position of 31 December 2015 which has been reviewed by the Company's auditors, has been adjusted for the effect of the Sale as if it occurred on that date.

(c) Effect of the Sale on AG Financial's consolidated statement of comprehensive income

Following the Sale the Company will be left with limited business operations and its material assets will consist of its existing assets and cash (including the Consideration, subject to adjustments).

(d) Effect of the Sale on the Board and management

The Sale will not result in any change to the composition of the Board.

The Sale will result in a reduction in the salaries and fees payable to the Company's directors and senior management, as described in the Company Annual Report for the financial year ended 30 June 2015.

(e) Effect of the Sale on the capital structure

The number of Shares on issue in the Company will remain unchanged as a result of the Sale.

(f) Effect of the Sale on the corporate structure

As the Company is disposing all its shares in AG Capital, the corporate structure of the Company will change as a result of the Sale. Below is a diagram of the corporate structure of the Company currently and following the Sale:

Where required under the terms of the Tax Sharing Agreement AG Capital will make a contribution amount payment to the Company prior to it leaving the tax consolidated group.

1.8 The Company's intentions post Completion

Following Completion, the Company proposes to:

- (a) use part of the Consideration to pay down the Company's debts;
- (b) subject to Resolution 2, the Company proposes to change its name to "Ennox Group Ltd". With the rebranded Ennox Group, the Company intends to focus on undertaking investment banking activities such as advising on cross border mergers and acquisitions, initial public offerings, capital raising (equity/debt/hybrid), underwriting, private equity investments and managed investment schemes;

- (d) in accordance with the Share Sale Deed, have Ennox Capital (a wholly owned subsidiary of the Company) act as a corporate authorised representative of AG Capital under the AFSL. This will enable Ennox Capital to engage in the aforesaid investment banking activities; and
- (e) subject to Resolution 4 being passed, undertake a capital raising to provide additional working capital to enable Ennox Capital to pursue this new business model.

1.9 Additional Information

(a) Indicative timetable

Completion under the Share Sale Deed is to occur 5 Business Days after Shareholder approval is obtained. Subject to the other conditions of the Sale being fulfilled or waived, it is anticipated that Completion will occur on 15 April 2016.

2.2 The Law

Section 157(1)(a) of the Corporations Act provides that a company may change its name if the company passes a **special resolution** adopting a new name. A special resolution requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The proposed name has been reserved by the Company and if Resolution 2 is passed, the Company will lodge notification of the special resolution with ASIC on completion of the Meeting in order to effect the change. The change of name will take effect from the day on which ASIC alters the details of the Company's registration.

The Company also seeks approval under section 136(2) of the Corporations Act to amend the Company's constitution to reflect the change of name. No other changes to the Constitution will be made.

2.3 Directors' recommendation

The Directors unanimously recommend that you vote in favour of Resolution 2. The Chairman of the meeting intends to vote undirected proxies in favour of the Resolution.

3. Resolution 3 – Ratification of Prior Share Issue

3.1 Summary

Resolution 3 seeks from shareholders approval for, and ratification, of the issue of 43,000,000 Shares at an issue price of \$0.003 per Share to New Features Global Investments Limited on 4 March 2015 (**Share Placement**) for the purposes of Listing Rule 7.4. The funds raised have and will be used for working capital purposes. The Share Placement was not issued to related parties of the Company.

3.2 The Law

Rules 7.1 and 7.4 of the Listing Rules

Resolution 3 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the Share Placement.

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue during any 12 month period any equity securities, or other securities with rights to conversion to equity (such as an option), if the number of those securities exceeds 15% of the number of securities in the same class on issue at the commencement of that 12 month period.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1)

those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

By ratifying the Share Placement subject of Resolution 3, the Company will maintain its ability to issue equity securities in the future up to the 15% limit without the requirement to obtain prior Shareholder approval, and thus enable the Company to take advantage of opportunities which may arise to raise additional capital.

Effect on capital of the Company

The securities issued, for which approval and ratification is sought under Resolution 3, comprise 14.65% of the Company's fully diluted issued capital (based on the number of Shares on issue as at the date of this Notice of General Meeting).

Information required by Rule 7.5 of the Listing Rules

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the Share Placement:

- (a) 43,000,000 Shares were issued;
- (b) the issue price was \$0.003 per Share;
- (c) the Shares issued were all fully paid ordinary shares in the capital of the Company and were issued on the same terms as, and rank equally in all respects with, the Company's existing Shares;
- (d) the shares were issued to New Features Global Investments Limited;
- (e) the funds raised by the Share Placement, after costs, are and will be used for working capital purposes; and
- (f) a voting exclusion statement is included in the Notice.

3.3 Directors' recommendation

The Board is not aware of any information not set out in this Explanatory Statement that would be reasonably required by Shareholders to make a decision in relation to Resolution 3.

The Board believes that the ratification of the issue of shares is beneficial for the Company. Each of the Directors recommends that Shareholders vote in favour of Resolution 3 as it allows the Company to retain the flexibility to issue further securities representing up to 15% of the Company's share capital during the next 12 months. The Chairman of the meeting intends to vote undirected proxies in favour of the Resolution.

- 4. Resolution 4 Approval for Issue of Shares New Placement of 58,000,000 shares
- 4.1 Summary

Resolution 4 seeks the approval of Shareholders for the future issue of up to 58,000,000 Shares (**New Placement**).

As set out in relation to Resolution 1, the Company intends to grow the investment banking activities of the Company which involves bridging corporate transactions between Asia and Australia. It is anticipated that the New Placement would raise \$174,000 which will be used as additional working for the Company to achieve this vision. In addition, the Company could issue Shares under the New Placement to strategic investors who could work with the Company to grow these new investment banking activities.

The issue of Shares under the New Placement is subject to the passing of Resolution 1, and if approved, will be placed with institutional and sophisticated investors.

4.2 The Law

Rules 7.1 of the Listing Rules

Listing Rule 7.1 prohibits a company from issuing shares representing more than 15% of its issued capital in any 12 month period, without the prior approval of its shareholders (subject to certain exceptions). Accordingly Shareholder approval is being sought under Listing Rule 7.1 for the issue of 58,000,000 Shares in the Company.

Effect on capital of the Company

The securities proposed to be issued, for which approval is sought under Resolution 4, comprise 19.76% of the Company's fully diluted issued capital (based on the number of Shares on issue as at the date of this Notice of General Meeting).

Information required by Listing Rule 7.3 for Resolution 4

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to the New Placement:

- (a) the maximum number of securities to be issued by the Company is 58,000,000 Shares;
- (b) the Shares will be issued no later than 3 months after the date of this Meeting (or such later date as approved by ASX);
- (c) the Shares will be issued at a price of \$0.003 per Share;
- (d) The Shares will be issued to institutional and sophisticated investors. As at the date of this Notice there has been no decision by the Directors to issue any Shares. Accordingly, the names of any allottee or proposed allottees are not known. The Shares is not expected to be issued related parties of the Company;
- (e) the Shares will be fully paid ordinary shares in the capital of the Company and will be issued on the same terms as, and rank equally in all respects with, the Company's existing Shares;
- (f) the funds raised from the issue of the Shares will be used for working capital purposes;
- (g) the Shares will be issued within the 3 month period from the date of this Meeting; and
- (h) a voting exclusion statement is included in the Notice.

4.3 Directors' recommendation

The Directors unanimously recommend that you vote in favour of Resolution 4.

The Board believes that maintaining the Company's ability to issue Shares within the 15% limit is in the best interest of the Company, thereby sustaining its flexibility to make placement of securities without seeking Shareholder approval if the need or opportunity arises. In addition, the funds raised from the issue of Shares will provide additional working capital for the Company's new corporate finance activities. The Chairman of the meeting intends to vote undirected proxies in favour of the Resolution.

All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.
