for the half-year ended 31 December 2015**

NOTE 1 STATEMENT OF COMPLIANCE AND BASIS OF PREPARATION

Statement of Compliance

This consolidated interim financial report includes the financial statements and notes of G8 Communications Limited (formerly Leopard Resources NL) and its controlled entities. The Group is a for-profit entity primarily and is domiciled in Australia.

These consolidated half-year financial statements are general purpose financial statements prepared in accordance with the requirements of the Corporations Act 2001, applicable accounting standards including AASB 134 'Interim Financial Reporting', Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board. Compliance with AASB 134 ensures compliance with IAS 34 'Interim Financial Reporting'.

This consolidated half-year financial report does not include full disclosures of the type normally included in an annual financial report. Therefore, it cannot be expected to provide as full an understanding of the financial performance, financial position and cash flows of the Group as in the full financial report.

It is recommended that this financial report be read in conjunction with the annual financial report for the year ended 30 June 2015 and any public announcements made by the Company and its subsidiaries during the half-year in accordance with continuous disclosure requirements arising under the Corporations Act 2001 and the ASX Listing Rules.

Basis of preparation

The consolidated half-year financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The half-year financial report is presented in Australian dollars. For the purpose of preparing the consolidated half-year financial report, the half-year has been treated as a discrete reporting period and does not include full disclosures of the type normally included in an annual financial report.

Accounting policies and methods of computation

The accounting policies and methods of computation adopted are consistent with those of the previous financial year and corresponding half-year. These accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards.

Adoption of new and revised standards

The Directors have reviewed all of the new and revised Standards and Interpretations issued by the AASB that are relevant to its operations and effective for annual reporting periods beginning on or after 1 July 2015.

It has been determined by the Directors that there is no impact, material or otherwise, of the new and revised Standards and Interpretations on the company and, therefore, no change is necessary to Group accounting policies.

The directors have also reviewed all new Standards and Interpretations that have been issued but are not yet effective for the half-year ended 31 December 2015. As a result of this review the directors have determined that there is no impact, material or otherwise, of the new and revised Standards and Interpretations on the company and, therefore, no change is necessary to Group accounting policies.

Significant accounting judgments and key estimates

The preparation of consolidated half-year financial report requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

In preparing this consolidated half-year financial report, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial report for the year ended 30 June 2015.

**Notes to the consolidated condensed financial statements
 for the half-year ended 31 December 2015**

NOTE 1 STATEMENT OF COMPLIANCE AND BASIS OF PREPARATION (CONTINUED)

Going concern

The consolidated half-year financial report has been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and settlements of liabilities in the ordinary course of business. The Group incurred an operating loss of \$370,956 for the half-year ended 31 December 2015 (2014 loss: \$416,073) and a net cash outflow from operating activities amounting to \$370,075 (2014 outflow: \$232,826).

Subsequent to 31 December 2015, the Company successfully raised \$4,500,000. Based on this, the Directors are satisfied that the going concern basis of preparation is appropriate. The Directors believe there are sufficient funds to meet the Group's working capital requirements and as at the date of this report, the Group believes it can meet all liabilities as and when they fall due.

NOTE 2 OTHER REVENUE

During the half-year, G8 Communications Limited entered into agreements with several creditors to settle the amounts owing. A total of \$558,292 has been forgiven by creditors during the period.

Directors' responsibility for the half-year financial report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Group's financial position as at 31 December 2015 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of the company, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of G8 Communications Limited is not in accordance with the *Corporations Act 2001* including:

- a) giving a true and fair view of the Group's financial position as at 31 December 2015 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
