G8 SIGNS INTERNATIONAL DISTRIBUTION AGREEMENT

HIGHLIGHTS

- **International distribution agreement signed with D&H Distributing Co. (“D&H”)**
- **D&H is a 98 year old US based company with revenues in excess of USD\$4bn p.a.**
- **D&H won global distributor of the year in 2010, 2013 and 2015**
- **D&H focus on emerging markets such as the Machine to Machine sector**
- **The distribution agreement will help G8 achieve sales and revenue targets sooner**

The Board of G8 Communications Limited (“**G8**”) is pleased to advise the Company has finalised an agreement with US based international distributor D&H to distribute the full range of G8’s wireless communication products to its existing customer base.

D&H is one of the United States leading technology distributors in emerging technologies, IT business and home solutions, electronics, home and outdoor and sports recreation. D&H has annual revenues in excess of USD\$4bn and distributes to many of the USA’s top ten companies and major retail chains including Walmart, Home Depot, Target and Toys R Us.

D&H is a 98 year old company with experience that spans from the first color TV, the first home PC and the first gaming system.

G8 is a next generation wireless communications company with products in the Machine to Machine (“M2M”) space focusing on solutions to the broader Internet of Things (“IoT”) sector.

About G8 Communications

G8 Communications is US based wireless technology innovator and manufacturer operating in the multi billion dollar IOT space. G8 specialises in M2M connectivity, providing hardware solutions for some of the world's largest companies including Coca Cola and Verizon. G8C's software solutions also include a customised cloud management interface and variety of support services. Cisco predicts there will be 50 billion connected devices by 2020.
