### **Your vote is important**

---

The business of the Meeting affects your shareholding and your vote is important.

### **Voting eligibility**

---

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders at 7:00pm (EST) on Tuesday, 26 April 2016.

### **Voting in person**

---

To vote in person, attend the Meeting at the time, date and place set out above.

### **Voting by proxy**

---

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

#### ***Proxy vote if appointment specifies way to vote***

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (ie as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (ie as directed); and
- if the proxy is not the chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (ie as directed).

#### ***Transfer of non-chair proxy to chair in certain circumstances***

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
  - the proxy is not recorded as attending the meeting; or
  - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

#### 1. RESOLUTION 1 – REPLACEMENT OF CONSTITUTION

To consider and, if thought fit, to pass the following resolution as a **special resolution**:

**ASX Voting Exclusion:** The Company will disregard any votes cast on this Resolution by Simon O’Loughlin (or his nominee) and any of his associates. However, the Company need not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

**Voting Prohibition Statement:**

A person appointed as a proxy must not vote, on the basis of that appointment, on this Resolution if:

- (a) the proxy is either:
  - (i) a member of the Key Management Personnel; or
  - (ii) a Closely Related Party of such a member; and
- (b) the appointment does not specify the way the proxy is to vote on this Resolution.

However, the above prohibition does not apply if:

- (a) the proxy is the Chair; and
- (b) the appointment expressly authorises the Chair to exercise the proxy even though this Resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.

---

**3. RESOLUTION 3 – RATIFICATION OF PRIOR ISSUE OF OPTIONS TO TAYLOR COLLISON**

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

*“That, for the purposes of ASX Listing Rule 7.4 and for all other purposes, Shareholders ratify the issue of 1,000,000 Options to Taylor Collison on the terms and conditions set out in the Explanatory Statement.”*

## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

---

### 1. RESOLUTION 1 – REPLACEMENT OF CONSTITUTION

#### 1.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 1 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and ASX Listing Rules.

This will incorporate amendments to the Corporations Act and ASX Listing Rules since the current Constitution was adopted in 2006.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

- updating the name of the Company to that adopted on 26 November 2010;
- updating references to bodies or legislation which have been renamed (e.g. references to the Australian Settlement and Transfer Corporation Pty Ltd, ASTC Settlement Rules and ASTC Transfer); and
- expressly providing for statutory rights by mirroring these rights in provisions of the Proposed Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website [www.okloresources.com](http://www.okloresources.com) and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 2 8823 3179). Shareholders are invited to contact the Company if they have any queries or concerns.

## 1.2 Summary of material proposed changes

### **Fee for registration of off market transfers (clause 8.4(c))**

On 24 January 2011, ASX amended ASX Listing Rule 8.14 with the effect that the Company may now charge a "reasonable fee" for registering paper-based transfers, sometimes referred to "off-market transfers".

Clause 8.4 of the Proposed Constitution is being made to enable the Company to charge a reasonable fee when it is required to register off-market transfers from Shareholders. The fee is intended to represent the cost incurred by the Company in upgrading its fraud detection practices specific to off-market transfers.

Before charging any fee, the Company is required to notify ASX of the fee to be charged and provide sufficient information to enable ASX to assess the reasonableness of the proposed amount.

### **Dividends (clause 21)**

Section 254T of the Corporations Act was amended effective 28 June 2010.

There is now a three-tiered test that a company will need to satisfy before paying a dividend replacing the previous test that dividends may only be paid out of profits.

The amended requirements provide that a company must not pay a dividend unless:

- (i) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
- (ii) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and
- (iii) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the new requirements of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends.

### **Partial (proportional) takeover provisions (new clause 35)**

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

## Information required by section 648G of the Corporations Act

### *Effect of proposed proportional takeover provisions*

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

### *Reasons for proportional takeover provisions*

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

### *Knowledge of any acquisition proposals*

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

### *Potential advantages and disadvantages of proportional takeover provisions*

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;

assisting in preventing Shareholders from being locked in as a minority;

- (i) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (ii) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;

lost opportunity to sell a portion of their Shares at a premium; and

- (b) the likelihood of a proportional takeover bid succeeding may be reduced.

### 1.3 Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 1.

## 2. RESOLUTION 2 – ISSUE OF OPTIONS TO RELATED PARTY – MR SIMON O’LOUGHLIN

### 2.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue a total of 1,000,000 Options (**Related Party Options**) to Mr Simon O’Loughlin (or his nominee) on the terms and conditions set out below.

Resolution 2 seeks Shareholder approval for the grant of the Related Party Options to Mr Simon O’Loughlin (or his nominee).

Section 208 of the Corporations Act provides that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company’s members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Related Party Options constitutes giving a financial benefit as Mr Simon O’Loughlin is a related party of the Company by virtue of being a Director.

ASX Listing Rule 10.11 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX’s opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

It is the view of the Company that shareholder approval pursuant to Chapter 2E of the Corporations Act is not required on the basis that the issue of these options is reasonable remuneration and as such the exemption in section 211 of the Corporations Act therefore applies.

As the grant of the Related Party Options involves the issue of securities to a related party of the Company, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Company that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of Related Party Options to Mr Simon O’Loughlin.

## 2.2 Technical Information required by ASX Listing Rule 10.13

Pursuant to and in accordance with the requirements of ASX Listing Rule 10.13, the following information is provided in relation to the proposed grant of Related Party Options as follows:

- (a) the related party is Mr Simon O'Loughlin who is a related party by virtue of being a Director;
- (b) the maximum number of Related Party Options (being the nature of the financial benefit being provided) to be granted to Mr Simon O'Loughlin (or his nominee) is 1,000,000 Related Party Options with an exercise price of \$0.10 or 40% above VWAP on the date of issue, whichever is the higher and an expiry date three years from the date of issue.
- (c) the Related Party Options will be granted to Mr Simon O'Loughlin (or his nominee) no later than 1 month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Related Party Options will be issued on one date;
- (d) the Related Party Options will be granted for nil cash consideration and accordingly no funds will be raised;
- (e) the terms and conditions of the Related Party Options are set out in Schedule 1; and
- (f) a voting exclusion statement has been included in the Notice of Meeting.

## 2.3 Other Information

The Board acknowledges the grant of Related Party Options to Mr Simon O'Loughlin is contrary to Recommendation 8.3 of The Corporate Governance Principles and Recommendations with 2010 Amendments (3<sup>rd</sup> Edition) as published by The ASX Corporate Governance Council. However, the Board considers the grant of Related Party Options to Mr Simon O'Loughlin reasonable in the circumstances as the primary purpose of the grant of the Related Party Options to Mr Simon O'Loughlin is to provide a performance linked incentive component in his remuneration package to motivate and reward the performance of Mr Simon O'Loughlin in his role as Director.

Mr Simon O'Loughlin declines to make a recommendation to Shareholders in relation to Resolution 2 due to his material personal interest in the outcome of the Resolution on the basis that he is to be granted Related Party Options in the Company should Resolution 2 be passed. All directors (excluding Mr Simon O'Loughlin) recommend that Shareholders vote in favour of Resolution 2 for the following reasons:

- (a) the grant of Related Party Options to Mr Simon O'Loughlin will align his interests with those of Shareholders;
- (b) the grant of the Related Party Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Simon O'Loughlin; and

- (c) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Related Party Options upon the terms proposed.

In forming their recommendations, each Director considered the experience of Mr Simon O'Loughlin, the current market price of Shares, the current market practices when determining the number of Related Party Options to be granted as well as the exercise price and expiry date of those Related Party Options.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Related Party Options to Mr Simon O'Loughlin as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Related Party Options to the Mr Simon O'Loughlin will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

---

### **3. RESOLUTION 3 – RATIFICATION OF PRIOR ISSUE OF OPTIONS TO TAYLOR COLLISON**

#### **3.1 General**

On 27 January 2016, the Company issued 1,000,000 Options to Taylor Collison as part of the fee payable in respect of the Company's October 2015 Placement.

The details of the October 2015 Placement were announced to the market on 15 October 2015.

Resolution 3 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of those Options (**Ratification**).

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12 month period than that amount which represents 15% of the number of fully paid Ordinary Securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies a previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue Equity Securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

#### **3.2 Technical information required by ASX Listing Rule 7.4**

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the Ratification:

- (a) 1,000,000 Options were issued;
- (b) the Options were issued for nil cash consideration and as part of the fee payable in respect of the Company's October 2015 Placement;
- (c) The Options were issued on the terms and conditions set out in Schedule 2;
- (d) the Options were issued to Taylor Collison who is not a related party of the Company; and
- (e) no funds were raised from this issue as the Options were issued as part of the fee payable in respect of the Company's October 2015 Placement.

**Voting 100% of your holding:** Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

**Voting a portion of your holding:** Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

**Appointing a second proxy:** You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

**A proxy need not be a securityholder of the Company.**
