Dear Kimberley,

REQUEST FOR TRADING HALT

Silex Systems Limited (ASX: SLX) (OTCQX: SILXY) ('Silex') requests a trading halt under Listing Rule 17.1, commencing prior to 10.00am today.

Silex is seeking a trading halt to enable Silex to confirm potential changes to the commercialisation arrangements in relation to its SILEX laser-based uranium enrichment technology. A trading halt is required to assist Silex to manage its continuous disclosure obligations under Listing Rule 3.1 and to ensure that the securities in Silex do not trade on an uncertain or uninformed basis.

Silex would like the trading halt to last until the earlier of an announcement being made by Silex to the ASX regarding this matter or the opening of trade at 10.00am on the 18th April 2016.

Silex is not aware of any reason why the trading halt should not be granted by ASX.

Yours sincerely,

Julie Ducie
Company Secretary
