AXIOM MINING LIMITED – LOYALTY BONUS ISSUE

Axiom Mining Limited (**Company**) announced the lodgement of a prospectus in respect of a bonus issue of unlisted options to shareholders holding 125,000 or more fully paid shares with registered addresses in Australia and New Zealand (**Eligible Shareholders**) on 19 April 2016. A copy of the prospectus accompanied the announcement.

As the bonus issue is not pro rata, ASX has advised that quotation on an ex-Loyalty Bonus Option entitlement basis will not occur as ASX's systems are unable to facilitate quotation on this basis.

The record date for determining eligible shareholders remains 26 April 2016.

The remainder of the timetable in the prospectus remains unaffected.
