Dear Martin,

For dissemination to the market:

**CBA Instalment Warrants – IYE, IYF, IYG, IYH Series – Reset Date and Early Maturity**

Commonwealth Bank of Australia (CBA) Equity Products Group advises that Instalment Warrants in the IYE, IYF, IYG, and IYH Series are due to be reset on 21 June 2016 (the 'Reset Date').

Reset Date

The Instalment Warrants listed in Table A below will be reset on 21 June 2016. On this Reset Date, Holders will drawdown an amount equal to the new Interest Amount under the Loan (which increases the Loan Amount by the new Interest Amount) and apply that amount to pay to Commonwealth Bank the new Interest Amount for the Interest Period to the next Reset Date. The new Interest Amount drawn down will be added to the Loan Amount. Holders will not be required to make any additional payments from their own funds in relation to the reset.

CBA Equity Products Group will make another announcement confirming the Interest Amount and the new Loan Amount after the Reset Date.

Early Maturity

CBA Equity Products Group also wishes to declare that, for the Instalment Warrants in Table B below and in accordance with clause 5(b)(ii) of the Trust Deed, the Reset Date will be the Early Maturity Date. Upon Early Maturity, Holders can choose to:

- sell the Instalment Warrant up to the close of normal trading on the ASX on the Early Maturity Date;
- give a valid Completion Notice and make the Completion Payment to receive full ownership of the Underlying Securities;
- if available to you, refinance into a new Series over the same Underlying Security by making a Rollover Application or Refinance Application;
- do nothing, and receive the Assessed Value Payment.

Holders of these Instalment Warrants will be sent information regarding these options.
