Renascor Resources (ASX: RNU) is pleased to announce the appointment of Non-Executive Director, Richard (Dick) E Keevers.

Mr. Keevers has over 40 years experience in the resource sector, having previously held senior executive positions with Broken Hill South Limited and Newmont Mining Limited. Mr Keevers' experience includes advancing multiple producing mines from discovery phase through development, including the Telfer gold and copper mine, the Phosphate Hill phosphate mine and the Baal Gammon copper mine. Mr Keevers also was a substantial shareholder of and served as an executive director for Pembroke Josephson Wright Limited, an Australian share brokerage firm. Mr Keevers has served on boards of several ASX-listed resource companies, and he is currently a non-executive director of Santana Minerals Limited.

Commenting on the appointment of Mr Keevers, Renascor Chairman Stephen Bizzell stated:

"Dick brings to Renascor a wealth of experience in the resource industry, including having played key roles in the development of several producing mines in Australia. We are particularly fortunate to welcome an experienced professional of Dick's caliber as we look to rapidly advance the development of the Arno Graphite Project and the exciting Siviour Graphite Deposit."
