**Freedom Foods Group Limited
Expansion of UHT Supply to Woolworths**

Freedom Foods Group Limited (ASX Code: FNP) (Freedom Foods) confirms that it has reached an agreement with Woolworths Supermarkets for the supply of a significant component of Woolworth's own label UHT dairy milk range commencing later in 2016.

Supply will be provided through the Freedom Foods Pactum Dairy Group (PDG) UHT operation in Shepparton in Victoria.

The supply arrangements also provide for continuation of supply to Woolworths of non-dairy UHT products through Freedom Foods's Sydney based UHT operation.

The supply agreement builds on additional sales and volumes secured with customers in both Australia and key export markets in China and SE Asia for supply into 2017.
