Dear Mr Smythe

REQUEST FOR TRADING HALT

The Board of Axiom Mining Limited ('Axiom' or 'the Company') hereby requests a trading halt pending the release of a clarifying announcement by the Company in relation to the pre-feasibility study announcement regarding the Isabel Nickel Project made by the Company on 12 August 2016.

In accordance with ASX Listing Rule 17.1, Axiom provides the following information:

1. the trading halt is requested pending the release of a clarifying announcement to the market in connection with the pre-feasibility study announcement made regarding the Company's Isabel Nickel Project in Solomon Islands made on 12 August 2016. The trading halt is requested, as otherwise trading in Axiom's securities may occur in an uninformed market.
2. Axiom expects that the clarifying announcement will be made prior to the commencement of trading on Wednesday 17 August 2016, triggering the lifting of the trading halt.
3. Axiom is not aware of any reason why this trading halt should not be granted.

Yours faithfully

Paul Frederiks
Company Secretary (Local Agent)
