Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

INTRODUCTION

Odyssey Energy Limited (Odyssey or Company) and the entities it controls believe corporate governance is a critical pillar on which business objectives and, in turn, shareholder value must be built.

The Board has adopted a suite of charters and key corporate governance documents which articulate the policies and procedures followed by Odyssey.

These documents are available in the Corporate Governance section of the Company's website, www.odysseyenergy.com.au. These documents are reviewed at least annually to address any changes in governance practices and the law.

This Corporate Governance Statement (**Statement**), which is current as at 30 June 2016 and has been approved by the Company's Board, explains how Odyssey complies with the ASX Corporate Governance Council's 'Corporate Governance Principles and Recommendations – 3rd Edition' published on 27 March 2014 (**ASX Principles or Recommendations**), in relation to the year ended 30 June 2016.

In addition to the ASX Corporate Governance Council's 'Corporate Governance Principles and Recommendations – 3rd Edition' the Board has taken into account a number of important factors in determining its corporate governance policies and procedures, including the:

- relatively simple operations of the Company, which currently only undertakes exploration and development activities;
- cost verses benefit of additional corporate governance requirements or processes;
- size of the Board;
- Board's experience in the resources sector;
- organisational reporting structure and number of reporting functions, operational divisions and employees;
- relatively simple financial affairs with limited complexity and quantum;
- · relatively small market capitalisation and economic value of the entity; and
- direct shareholder feedback.

Principle 1: Lay solid foundations for management and oversight

RECOMMENDATION	ODYSSEY'S COMPLIANCE WITH RECOMMENDATIONS	RECOMMENDATION FOLLOWED IN FULL FOR WHOLE OF 2016 YEAR?
1.1 Role of Board and management	The Board has established a clear distinction between the functions and responsibilities reserved for the Board and those delegated to management, which are set out in the Company's Board Charter.	Yes
	A copy of the Board Charter is available in the Corporate Governance section of the Company's website, www.odysseyenergy.com.au.	

		RECOMMENDATION
RECOMMENDATION	ODYSSEY'S COMPLIANCE WITH RECOMMENDATIONS	FOLLOWED IN FULL FOR WHOLE OF 2016 YEAR?
1.2 Information regarding election and re-election of director candidates	Odyssey carefully considers the character, experience, education and skillset of potential candidates for appointment to the Board and conducts appropriate background checks to verify the sustainability of the candidate, prior to their election. Based on the Company's level of knowledge of the potential candidate, these may include checks as to the person's character, experience, education and bankruptcy history, but may not include criminal record checks for potential candidates that are well known to the Board. However, the Company did not appoint any new Directors during the 2016 year. The Company has appropriate procedures in place to ensure that material information relevant to a decision to elect or reelect a director, is disclosed in the relevant notice of meeting provided to shareholders. Director profiles are also included in the Director's Report of the Company's Annual Report.	No
1.3 Written contracts of appointment	In addition to being set out in the Board Charter, the roles and responsibilities of Directors are also formalised in the letter of appointment which each Director receives and commits to on their appointment. The letters of appointment specify the term of appointment, time commitment envisaged, expectations in relations to committee work or any other special duties attaching to the position, reporting lines, remuneration arrangements, disclosure obligations in relation to personal interests, confidentiality obligations, insurance and indemnity entitlements and details of the Company's key governance policies. Each Key Management Personnel ("KMP") enters into a service contract which sets out the material terms of employment, including a description of position and duties, reporting lines, remuneration arrangement and termination rights and entitlements. Contract details of KMP are summarised in the Remuneration Report of the Company's Annual Report. The Company did not have letters of appointment in place for all Directors for the full year ended 30 June 2016. However, as at 30 June 2016, all Directors had written contracts of appointment.	No
1.4 Company Secretary	The Company Secretary reports directly to the Board through the Chairman on Board matters and all Directors have access to the Company Secretary. In accordance with the Company's Constitution, the appointment or removal of the Company Secretary is a matter for the Board as a whole. Details of the Company Secretary's experience and qualifications are set out in the Directors' Report of the Company's Annual Report.	Yes
1.5 Diversity	The Company has not adopted a Diversity Policy, nor has it established measurable objectives for achieving gender diversity for the 2016 year. The Company recognises that a diverse and talented	No

RECOMMENDATION	ODYSSEY'S COMPLIANCE WITH RECOMMENDATIONS	RECOMMENDATION FOLLOWED IN FULL FOR WHOLE OF 2016 YEAR?
	workforce is a competitive advantage and encourages a culture that embraces diversity. However, the Board considers that the Company is not currently of a size to warrant the time and cost of adopting a Diversity Policy and setting measurable objectives for achieving gender diversity. The Board will review its position and may adopt a Diversity Policy and develop measurable objectives when the Company's operations increase.	
	At the date of this Statement, the Company has no female directors and no female senior executives. At the date of this Statement, other than Directors, the Company had no employees as it uses consultants when required.	
1.6 Board reviews	The Board has not conducted a formal performance evaluation. The Company is a junior resources company and the Board believes that a formal performance evaluation is not required at this point in time and that that no efficiencies or other benefits would be gained from a formal performance evaluation.	No
	The Chairman is responsible for evaluating the Board and informal discussions are undertaken during the course of the year. As the Company grows and develops, it will continue to consider the efficiencies and merits of a more formal performance evaluation of the Board, its committees and individual Directors.	
1.7 Management reviews	Each year the Board evaluates the performance of its KMP against Key Performance Indicators ("KPI's") as set by the Board. Details of the process followed are set out in the	Yes
	Remuneration Report of the Company's Annual Report. For the 2016 year, the Board undertook a performance evaluation of its KMP in accordance with that process.	

Principle 2: Structure the Board to add value

RECOMMENDATION	ODYSSEY'S COMPLIANCE WITH RECOMMENDATIONS	RECOMMENDATION FOLLOWED IN FULL FOR WHOLE OF 2016 YEAR?
2.1 Nominations committee	The Board has decided not to form a separate Nomination Committee. The Board believes that no efficiencies or other benefits would be gained by establishing a separate Nomination Committee. The Board has adopted a Remuneration and Nomination Committee Charter, however the Board as a whole performs the function of the Remuneration and Nomination Committee. The Remuneration and Nomination Committee Charter sets out the processes the Board employs to address board succession issues and to ensure that the board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively. The Board regularly reviews whether it has the appropriate balance of skills, knowledge, and experience suitable for a	Yes
